

## The Library

The College library has more than 15000 books, many scientific encyclopedia and periodicals covering all aspect of fundamental and applied sciences, such as Electronics, Instrumentation, Food Technology, Computers Sciences, Biomedical Sciences, Biology, Biochemistry, Chemistry, Physics etc. The Library offers excellent services like current awareness, selective dissemination of information, literature search, reference, newspaper clipping service etc. Library is fully computerized, using CapsLib, a graphical user interface library automation software package. This software is our indigenous product. The circulation of books is done through the barcode reader and also classification of books done by the on line CD-Net of DDC CD version.

The library subscribes to a large number of Electronics Resources through UGC-Infonet and University of Delhi connectivity, Its includes 11 Online Databases on Reference & Citation Sources, 6 online Databases on Bibliographic Sources, 2 Online Databases on Citation Analysis Resources, 8 online Databases on Financial and Statistical Sources, Single databases on Doctoral Theses and 105 online Databases on Full Text Sources. This includes around **43200** e-journals available in the present library with three WiFi computer laboratory consisting of 80 computers.

The library has digital materials on its institutional repositories like Novel Product Developed by the 3rd year student of Food Technology, Other Important project reports, the question paper, syllabus have also been digitized by the library.

Besides this the library has 3 laboratories (e-Library-1, e-Library-2 and e-Library-3) providing computational facility of approximately 80 computer nodes interconnected via LAN. These nodes are running on the Windows 2000/Windows XP/Windows 8 platform and are equipped with state of art software. The library puts a great emphasis on e-resources. While laboratories are also used for developing skills to use and apply various concepts, tools and techniques, their main purpose is to develop the core technical as well as general professional competencies through experiential and collaborative learning.

student of Food Technology, further industrial training Important project reports, the question paper, syllabus have also been digitized by the library .

#### e-Library

The library has three e-library (e-Library-1, e-Library-2 and e-Library-3) providing accessibility of e-content facility of approximately 80 computer nodes interconnected via LAN. These nodes are running on the Windows 7/Windows 8 platform and are equipped with state of art software. The library puts a great emphasis on e-resources.

List of some important e-resource available in e-libraries:
