

Biochemistry Report for session 2023-24

TEACHER'S DAY CELEBRATION

Date: 05, September 2023

To commemorate their tireless efforts, patience, and selfless dedication, the students of the Biochemistry Department (Vinculum) organized the Teacher's Day celebration which was themed "ADLA BADLI SPECIAL". As the theme clearly suggests the swapping idea, the teachers were dressed as any other teacher of our department. The teachers were welcomed by a warming dance performance by the students for their 'GURUS'. The event was well-planned and packed with music, dance, games and fun. The teachers enjoyed the games "Heads-Up" and "Wrong answers only". The students spared no effort to make the day even more special for their dearest mentors. The teachers also received a memento as token of gratitude and appreciation from their students. 50 students attended the event.

VINCULUM COUNCIL ELECTION (2023-24)

Date: 19, September 2023

The Biochemistry Department organized the elections for the Vinculum student council in order to create a diligent and dedicated team. The students showed enthusiasm and passion by contesting their names for the different posts. The students used their power to elect their representatives by voting their preferences.

FRESHER'S PARTY

Date: 05, October 2023

The students of the biochemistry department (Second and Third Year) organised a fresher party 'Netflix And Thrill'.

The event commenced with a ramp walk of the newcomers and their respective introductions to showcase their talents. All these performances were a blend of various types of dances, songs, and poetry followed by a dance performance by

2nd year students. Several fun games were played, musical chairs, Burst & Blow (Balloons). Light refreshments were also made available to all the attendees.

The event came to an end with the title-giving ceremony for Miss Fresher, Miss Congeniality, and Miss well-dressed based on their performance. 60 students attended the event.

ELIXIR'23

(Tech fest organized under department of biochemistry 2023)

Date: 07, November 2023

The fest was on 07 November 2023. the fest with started with talk session by Dr. ANIL AGGARWAL (former director professor ,forensic science department at Maulana Azad medical college New Delhi). The professor in our department welcomed him with honour into SR of college . Dr. Anil Aggarwal started the talk session with his introduction and on theme “My Experiences in Forensic Toxicology”, he then continued with his different kind experiences with the human body in his career , how he started his career , what made him choose this line of work, his experience s regarding the medicine and forensic science, how he teaches his students and many more things... he then thank our professor Dr. Sadhna jain for giving him the opportunity to be a part of elixir. 50 students attended the event.

Vichaarkosh 2.0

Paper presentation competition (Under Elixir)

Various teams from different colleges had done the registration for paper presentation competition on the themes “FOOD AS MEDICINE” and “FORENSIC TOXICOLOGY”. After the talk session there was paper presentation. 50 students attended the event.

DEPARTMENTAL PICNIC

Date: 19, March 2024

The department organised a picnic as a fun and entertainment element for the students to “ADVENTURE ISLAND, ROHINI”. This was a refreshing picnic for the students which made them enjoy to their fullest. The faculty and students loved the adventurous place and the adventure activities. On reaching the adventure park, they were entertained by alluring rides. The day was well spent singing and interacting with each other. 50 students attended the picnic.
