

## Biomedical Science: 2019-2020

SNo	Name of the activity	Page No
1	Talk-"Entrepreneurship Opportunities for Life Science Graduates"	1
2	Talk— "Interdisciplinary Aspects of Biological Sciences"	1
3	Lecture—"Social and Ethical consequences of Biotechnology"	2
4	Talk-"Scope for Biomedical Scientists in the Area of Public Health"	2
5	Technical fest- PLEXUS	2
6	World Cancer Day	3

1) **Talk-"Entrepreneurship Opportunities for Life Science Graduates"**: On 18<sup>th</sup> September, 2019 the Department of Biomedical organised a talk on the topic "**Entrepreneurship opportunities for life science graduates**". The session commenced with the welcome note for the faculty and the students who attended the session. It was then followed by key note lecture by speaker. He talked about why it is important to introduce advances in science and technology at the grass root level, and how educating farmers would be beneficial for the society. He also spoke about introduction of snacks infused with various nutrients that can be used to battle lifestyle disorders like obesity.

**Names of Resource Person:** Dr. Suman P. S. Khanuja, ex-chairman of CIMAP, founder and managing director of Skies India.

**Number of Participants:**

2) **Talk—"Interdisciplinary Aspects of Biological Sciences"**: Dept of Biomedical Science organized talk on 18<sup>th</sup> October 2019 on "**Interdisciplinary Aspects of Biological Sciences**". Lecture was organized to aware the students regarding Industry and Research career options  
**Name of Resource Person:** Dr Safdar Ali, Assistant Professor, Dept of Biological Sciences, Alliah University, Kolkata.

**Number of Participants: 50**

- 3) **Lecture—“Social and Ethical consequences of Biotechnology”**: On 23rd January 2020, Department of Biomedical Science organized a lecture on “*Social and Ethical consequences of Biotechnology*” for students.

**Name of Resource Person:** Dr. Rajendra Gupta (Retd. Associate Professor) Botany Department, University of Delhi.

**Number of Participants: 50**

- 4) **Talk-“Scope for Biomedical Scientists in the Area of Public Health”**: On 22<sup>nd</sup> October 2019 a talk was organized by the Department of Biomedical Science on “*Scope for Biomedical Scientists in the Area of Public Health*” for biomedical students. Talk not only provided the information regarding importance of biomedical scientist in the area of public health but also in the many fields of science.

**Names of Resource Person:** Dr. Archana Singh, Associate Professor, Department of Biochemistry, AIIMS, New Delhi

**Number of Participants: 50**

- 5) **Technical fest-PLEXUS**: On 4th October, 2019, the Departments of Biomedical Sciences, Microbiology and Biochemistry, celebrated their annual technical fest-**Plexus**. The theme for this year's Plexus was **Neurosciences**. The event was commenced with welcome note for the teachers and the students. It was then followed by series of lectures. Speakers enlightened the students with a talk on various topic related to the theme of event.

**Names of Resource Person:** Dr. Manjari Tripathi, Professor, Department of Neurology, AIIMS, Delhi, Dr. Aparna Dixit, Assistant Professor, Molecular Neurobiology. Dr. Ambedkar Centre for Biomedical Research, University of Delhi,

**Number of Participants: 70**

- 6) **World Cancer Day:** On 4th February 2020, **World Cancer Day** was organized by the department which included lectures by the eminent speakers. On this day, lectures were organized to spread the cancer awareness among students and faculties

**Names of Resource Person:** Dr. Anant Narayan Bhatt (Senior Scientist, INMAS, DRDO), Dr. Nidhi Gupta, Research Associate, and also an alumnus of (Dept. of Biomedical Sciences), Department of Biochemistry AIIMS

**Number of Participants:50**
