### 1. Webinar on: “How To Get Into The Top Abroad Universities”

The department organized a Webinar on “How to Get Into the Top Abroad Universities” on 20<sup>th</sup> March 2022, by Dr. Ashok Kumar, Faculty of the Department of Statistics, Central University of South Bihar, Gaya. All the attending students learned about career-oriented pathways after passing the Graduation Programme.

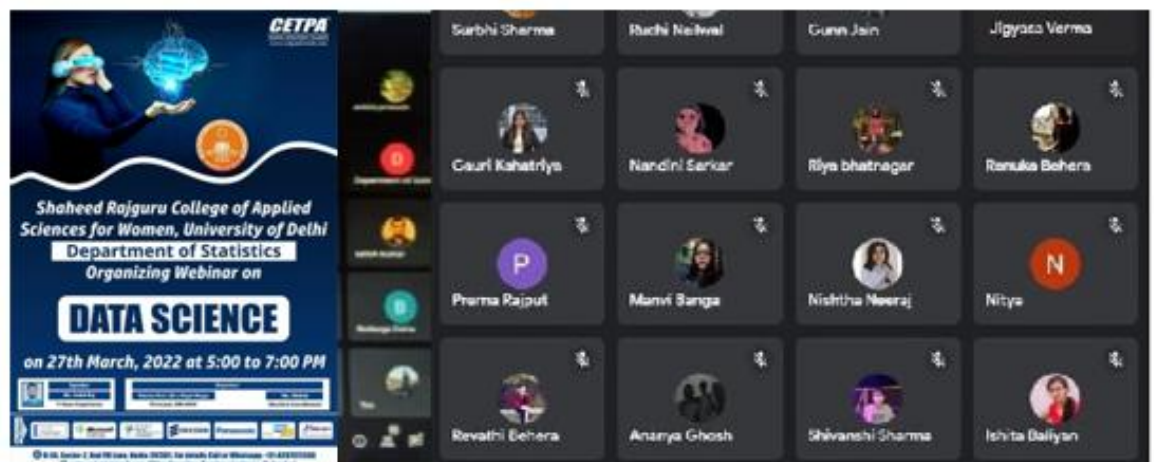

- **Resource Person:** Mr. Ayush Sharma  
(Senior Expert, MS RWTH Aachen, Germany)
- **Number of Participants:** 49

### 2. Webinar on: “Data Science”

The department organized a Webinar on “Data Science” on 27th March 2022. The event featured Mr. Ankit Raj, a Senior Expert from CETPA Pvt. Ltd in New Delhi, as the speaker. Students who attended had the opportunity to dive into the crucial role that data science plays in promoting collaboration across different disciplines. They discovered how data-driven insights can connect various fields, spark innovation, and tackle complex challenges.

- **Resource Person:** Mr. Ankit Raj (Senior Expert, CETPA)
- Number of Participants:** 65

### 3. Department's Students Council Elections

On 13<sup>th</sup> January 2022, the department held *virtual elections for the Department Students Council*. Approximately 90% of the students took part in this program.

**Number of Participants: 90**

### 4. Orientation Event:

The department organized an *orientation event* on 22<sup>nd</sup> November 2022 via a Google Meet call as an introductory meeting for 1<sup>st</sup> year students with Teachers. The course program was briefly discussed with the students during this meeting.

**Number of Participants: 50**

### 5. Tech Fest: *TRAP'22*

The Department of Statistics, in collaboration with the Departments of Physics, Chemistry, and Mathematics, organized their “**Annual Technical Fest – TRAP'22**” on the 27th and 28th of January 2021. This Program has organized five major events, namely – *Eye Spy*, *The Enigma*, *Reflex Relay* (combined event), and two webinars entitled '*How to read scientific literature*' By Anupma Harshal and '*Emerging Opportunities after undergraduate Studies*' by Jitin Chawla, respectively. The *Eye Spy* and *The Enigma* events drew over 450 participants from across India, and the *Reflex Relay* (combined event) attracted over 190 registrations. The festival honored outstanding Eye Spys who want to work toward bigger goals in the future, which center on data (such as cleanliness, analysis, and visualization of a particular set of data) and the growing global demand.

Number of Participants: 640

## 6. Alumni Meet: “Alumni Interaction Session '22”

Departmental Alumni Committee organized an **Alumni Interaction Session '22** program on 18<sup>th</sup> February, 2022. The five alumni, **Ms. Anjum Agarwal** (2020 batch pass out), is doing a Master's in Business Analytics at the National University of Ireland, Galway, **Ms. Shreya Goenka** (2020 batch pass out) is currently working as a consultant at Primus Partners, **Ms. Shreya Shruti** (2020 batch pass out) is doing MBA from NSIT, **Ms. Tarushi** (2020 batch pass out) is working as an Analyst in BI Team at Myntra, and **Ms. Aishwarya Singh** (2021 batch pass out) is presently working as an Assistant Manager at Paisabazaar. All the Students enjoyed this meeting as an introductory meeting of Students with their Alumni Seniors. Alumni shared their experiences of college study, motivated students to pursue higher studies, and motivated

them to develop technical skills as per demand in recent times.

### Number of Participants: 65
