1. Webinar on: *"Fooled by Statistics and Machine Learning"*

The department organized a webinar on **"Fooled by Statistics and Machine Learning"** on 2nd April 2022. All the attending students learned about basic statistical tools with machine learning.

- **Resource Person:** Prof. Tanujit Chakraborty
(Faculty of Mathematics (Statistics) at Sorbonne University, Paris, France)
- **Number of Participants:** 85

**Shaheed Rajguru College of Applied Sciences for Women
University of Delhi**

Accredited by NAAC A+ Grade
DEPARTMENT OF STATISTICS
presents
A WEBINAR ON

Fooled by Statistics and Machine Learning

Speaker:
Dr. Tanujit Chakraborty
Assistant professor of Mathematics
(Statistics) at Sorbonne University
Paris, France

Date: 2nd April, 2022
Time: 11:00 am - 12 Noon
Platform: Google Meet

Registration Link:
<https://forms.gle/BrNCYdkE7Ud4FVYZA>

Patron: Prof. (Dr.) Payal Mago
Principal, SRCASW

For queries contact- Mahak Mahajan: +91 82856 68995

The screenshot shows a Google Meet session in progress. The top bar displays the meeting title 'Fooled by Statistics and Machine Learning' and the time '12:18 PM'. The main area is a grid of participants' video feeds. On the right, there is a chat window with a search bar and a list of messages. The bottom of the screen shows the Google Meet controls, including a microphone icon, a camera icon, and a 'Join' button.

2. Webinar on: “Statistics: Career Path & Opportunity”

The department organized a Webinar on “Statistics: Career Path & Opportunity” on 10th December, 2022, by Dr. Ashok Kumar, Faculty of the Department of Statistics, Central University of South Bihar, Gaya. All the attending students learned about career-oriented pathways after passing the Graduation Programme.

- **Resource Person:** Dr. Ashok Kumar
(Faculty of the Department of Statistics, Central University of South Bihar, Gaya)
- **Number of Participants:** 95

3. The department organized the **Teacher’s Day Celebration** program on 5th September 2022. A warm, welcoming speech full of gratitude for the distinguished faculty kicked off the day. Cake cutting and other entertaining activities were planned to bring back the teachers' sense of humor and to foster a space for memories and laughter. Joy, thankfulness, and a specific method to honor the special bonding between students and teachers were all present on this day. Teachers and students played a few entertaining games together.

Number of Participants: 50

4. The department organized the **Department Students Council Elections** on 8th September 2022.

Number of Participants: 90

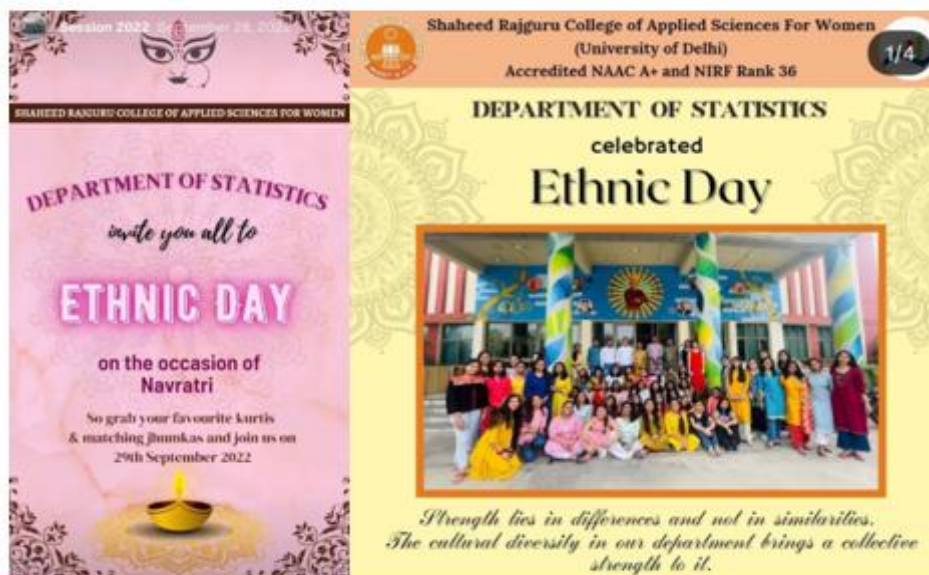

5. The department organized a **Statistical Quiz Program** on 22nd September 2022, to celebrate the great Indian statistician **CR Rao's Birthday Week**, with some logical and conceptual statistical puzzle games.

Number of Participants: 40

6. The department organized an **Ethnic Day** program on 29th September, 2022, to celebrate the Navratri festival week, and enjoyed some musical fun games and bhajans.

Number of Participants: 80

7. Orientation Event:

The department organized an **Orientation program** on 2nd November 2022, which was the introductory meeting of 1st students with teachers. This meeting held a brief discussion about the course with students.

Number of Participants: 50

8. Tech Fest: *TRAP'23*

The Department of Statistics, in collaboration with the Departments of Physics, Chemistry, and Mathematics, organized its “**Annual Technical Fest – TRAP'23**” on 16th and 17th of January, 2023. This Program has organized several events, including 3 major events, namely – A talk (combined Event) on “*Stem to Stem*”, An Oral Presentation on “*Ace the Data: Statistical Modelling and Analysis*”, and A Debate Competition “*The Voice of Brain*”. A significant number of participants from across India took part in these events, which proved to be a tremendous success. During the Talk Event, the speaker was Dr. Surabhi Dhingra, Associate Professor in the Department of Commerce at Desh Bandhu College, DU.

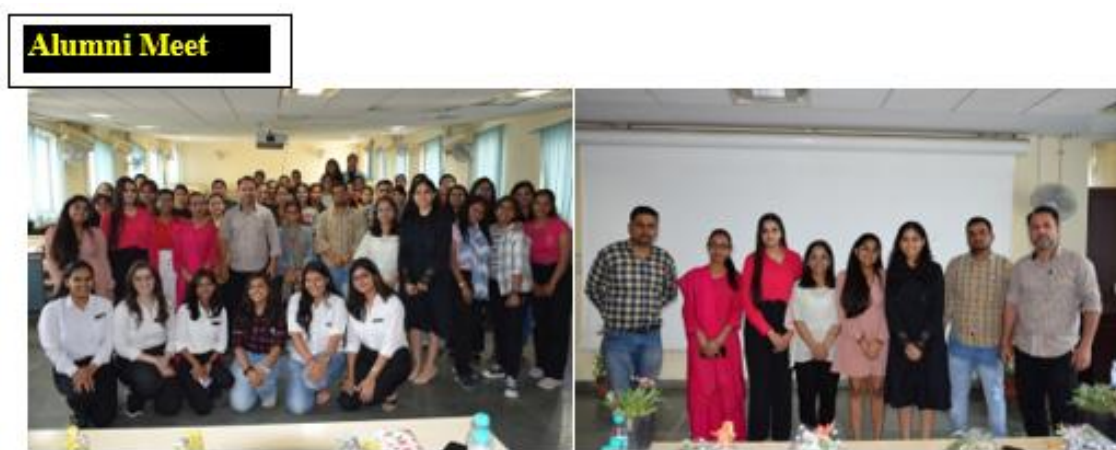

Number of Participants: 450

9. Alumni Meet: “*Alumni Interaction Session '23*”

Departmental Alumni Committee organized an **Alumni Interaction Session '23** program on 23rd March, 2023. The four alumni, namely **Ms. Kavya Srivastava** (2020 batch pass out) recently working as Associate Consultant at EY, **Ms. Barnali Banarjee** (2020 batch pass out) is currently working as a Research Analyst in the benchmarking vertical at Incisiv, **Ms. Aishwarya Singh** (2021 batch pass out) is presently working as a Data Scientist at McKinsey and **Ms. Mahak Mahajan** (2022 batch pass out) is working as an Analyst at EY. Alumnae recounted their experiences of university life and encouraged students to pursue advanced education and cultivate technical skills in line with current demands. The event was a remarkable success, ultimately establishing a roadmap for enthusiastic aspirants and addressing the questions of uncertain students.

Number of Participants: 50

10. Fresher's Party on: “*Andaaz Apna Apna: Bollywood theme*”

The Departmental Students Council hosted a **Fresher's Welcome Event** on 5th April 2023, for the 2022-2025 batch. All students found this program enjoyable as it served as an introductory meeting between students and their seniors, and they engaged in various entertaining activities.

Number of Participants: 50
