1. Career Counselling and Technology Trends in IT Industry

Department of Computer Science, under the aegis of IQAC of the college, conducted a webinar on the topic “**Career Counselling and Technology Trends in IT Industry**” on 11th September 2021. The session was delivered by Ms. Divya Gandhi, Ms. Ruchika Salwan, Ms. Vandana Kumari and Ms. Luxmi Gupta. They provided valuable guidance to students navigating the complexities of career planning in today’s dynamic tech landscape. The webinar aimed to address the common dilemmas students face when choosing career paths and offered a structured approach to learning and growth.

- **Resource Persons:** Ms. Divya Gandhi, Software Development Engineer -2, Amazon
Ms. Ruchika Salwan, Computer Scientist, Adobe
Ms. Vandana Kumari, Computer Service Associate, Jiomart Tech-Mahindra
Ms. Luxmi Gupta, Android Developer, Softin System Pvt. Ltd.
- **Number of Participants:** 107

2. Future is Faster Than You Think – Career Opportunities in Post Covid Era

Department of Computer Science, under the aegis of IQAC of the college, conducted a webinar on the topic “**Future is Faster Than You Think – Career Opportunities in Post Covid Era**” on 26th November 2021. The session was delivered by Mr. Kishore Kumar Naidugari, who brought deep insights into the evolving landscape of industry and employment in the wake of the global pandemic. His talk focused on the concept of the “next normal” highlighting how the pandemic accelerated technological adoption and ushered in a new wave of industrial transformation.

- **Resource Person:** Mr. Kishore Kumar Naidugari (Kishore), Advisory Technology Architect, Dell Technologies | Global Alliances
- **Number of Participants:** 76

The poster is for a webinar organized by the Department of Computer Science at Shaheed Rajguru College of Applied Sciences for Women, University of Delhi. It features a circular portrait of the speaker, Mr. Kishore Kumar Naidugari, a man with glasses and a mustache. The text on the poster includes the college name, the department, the IQAC (Internal Quality Assurance Cell) aegis, the webinar title, the speaker's name and title (Advisory Technology Architect at Dell Technologies | Global Alliances), the date and time (26 November, 2021 || 5 PM onwards || Google Meet), and contact information for queries (Kanika Gupta, President, and Ridhima Monga, Vice President).

3. TECH MELANGE '22

Department of Computer Science under the aegis of IQAC of the college, organized the annual departmental technical festival, **TECH MELANGE '22** on 24th January 2022. Students from various renowned colleges and universities across Delhi NCR participated in this mega event, contributing to its great success.

The fest commenced with a captivating keynote talk on the topic - “**100 Days of Blockchain**” by Mr. Kushal Seth, a dynamic entrepreneur, software architect, early-stage startup investor, and mentor. His talk offered a compelling perspective on the transformative power of blockchain technology and its growing relevance across industries.

- **Resource Person:** Mr. Kushal Seth, Entrepreneur, Software Architect and Early-Stage Start-Up Mentor

A “**Counselling Session by Our Alumna**” was also conducted on 24th January 2022. The session was led by Ms. Shipra Kesarwani, a proud alumna of the department, who shared her personal journey and professional experiences with current students. It was a highly engaging and interactive session, offering a rare opportunity for students to connect directly with someone who has successfully navigated the transition from academia to industry.

- **Resource Person:** Ms. Shipra Kesarwani, alumna

The highlights of TECH MELANGE '22 were-

- Hardcode
 - Brain Wreck
 - E – Tambola
 - Cyber Hustle
 - Ideathon
 - Whiz Quiz
- **Number of Student Attendees from our department:** 149

4. Top MCA colleges in India and best jobs in IT sector

Department of Computer Science, under the aegis of IQAC of the college, conducted a career – oriented webinar on the topic “**Top MCA colleges in India and best jobs in IT sector**” on 5th February 2022. The session was conducted by Mr. Ritukar Chadha, who shared valuable insights into the academic and professional landscape awaiting students after graduation. The webinar was designed to help students make informed decisions about their future, particularly those considering Master of Computer Applications (MCA) as a postgraduate path.

- **Resource Person:** Mr. Ritukar Chadha, Director of Landmark Institute and creator of the YouTube channel – Nayi Rahen.
- **Number of Participants:** 44

5. Cloud: Expanding Possibilities

Department of Computer Science, under the aegis of IQAC of the college, conducted an insightful alumna session on the topic “**Cloud: Expanding Possibilities**” on 15th February 2022. It was delivered by Ms. Aditi Jain, a distinguished alumna of the department, who brought her industry experience and expertise to the forefront. Her talk offered a comprehensive overview of cloud computing as a transformative force in the digital era.

- **Resource Person: Aditi Jain (Alumna)**

6. Roadmap to DSA

Department of Computer Science in collaboration with GeeksForGeeks and under the aegis of IQAC of the college, conducted a webinar on the topic “**Roadmap to DSA**” on 5th March 2022. The session was delivered by Mr. Yash Dwivedi, a seasoned expert in Data Structures and Algorithms (DSA). His presentation was intuitively informative and offered a clear, structured approach to mastering DSA — a cornerstone of computer science and software development.

- **Resource Person:** Yash Dwivedi, Associate Mentor Intern at GeeksForGeeks.
