

GREEN BRIGADE

PRAVRIDHI ensures to promote the concept of sustainable development through various projects in the college's infrastructure by adopting Green Policy. The Green Policy Document ensures that college maintains and follows its objective of creating an eco-friendly environment as per India's guidelines and objectives.

The Green Brigade of the College is a dedicated group of students and teachers that is created to ensure the objective of Green Policy Document under the AEGIS of IQAC. The Green Brigade aims at ensuring greenery, eco-friendly environment. As a part to protect the environment it undertakes following objectives:

1. To ensure the green cover in and around the college through tree plantation.
2. The development and maintenance of the Herbal Garden of the college.
3. To ensure the awareness on medicinal plants around us through 'Herbal Plant of The Week' awareness campaign.
4. To ensure the maintenance of vegetable and fruit gardens of the college.
5. To ensure public awareness on Tree Plantation through drives and campaigns.
