

GLAMFIRE

THE FASHION SOCIETY

Glamfire, the fashion society of Shaheed Rajguru College of Applied Sciences for Women, brings together students from different fields who share a common interest in fashion. Through various events, and collaborations, we aim to provide a platform for self-expression, innovation, and learning.

At the heart of our society is a commitment to exploring the ever-evolving trends of the fashion world, while also appreciating timeless designs and cultural influences. With steadfast backing from our convenors, the society continuously takes a leading role in launching major events on campus. Additionally, GLAMFIRE has proudly represented the college on various external platforms, highlighting its talent beyond the confines of the institution. The Fashion Society offers members an opportunity to hone their skills, network with like-minded individuals, and stay updated with the latest in fashion.

By fostering a community where art meets apparel, we encourage every member to explore their unique style and contribute to the collective creativity that defines our precious "GLAMFIRE".
