

31st ANNUAL REPORT

2021-22

**SHAHEED RAJGURU COLLEGE OF
APPLIED SCIENCES FOR WOMEN**
University of Delhi

Shivram Hari Rajguru
(24 August 1908 — 23 March 1931)

Shivram Hari Rajguru was born in an average middle-class Hindu Brahmin family at Khed in Pune district in 1906. He came to Varanasi at a very early age where he learnt sanskrit and read the hindu religious scriptures. At Varanasi, he came in contact with revolutionaries. He joined the movement and became an active member of the Hindustan Socialist Republican Army (H.S.R.A). Rajguru had fearless spirit and indomitable courage. The only object of his adoration and worship was his motherland for whose liberation he considered no sacrifice too great. He was a close associate of Chandra Shekhar Azad, Sardar Bhagat Singh and Jatin Das. His field of activity was U.P. and Punjab, with Kanpur, Agra and Lahore as his headquarters. Rajguru was a good shooter and was regarded as the gunman of the party. He took part in various activities of the revolutionary movement, the most important being the murder of british police officer, J. P. Saunders at Lahore in 1928.

Sardar Bhagat Singh, Rajguru and Sukhdev were tried for Saunders' murder. They were convicted and sentenced to death. Rajguru along with his two comrades was hanged in the Lahore jail on the evening of 23rd March, 1931. At the time of his martyrdom, Rajguru was hardly 23 years of age.

The College

Shaheed Rajguru College of Applied Sciences for Women is an institute of effective education, learning and character building. The college is a vibrant, energetic, affable community of students, faculty and staff. The fourteen programs offered by the college gives an opportunity to pursue different interests and aptitudes and develop a holistic personality leading to a career of choice.

The college offers undergraduate programs, namely B.Sc. (H) in Biochemistry, Biomedical Science, Chemistry, Computer Science, Electronics, Food Technology, Instrumentation, Mathematics, Microbiology, Physics and Statistics; Bachelor of Management Studies; and Bachelor of Business Administration (Financial Investment Analysis) and B.A. (H) Psychology. The college has constantly strived to provide an environment conducive to bring out the best in our students. The college has state-of-the-art laboratories in each department and has established itself as a premier scientific institute in India. The college creates an environment which is competitively intense and intellectually satisfying with comprehensive skills in different fields leading to open horizons for creativity. The college is committed to bestowing adequate knowledge to students to train them to think and work logically, develop a spirit of enquiry, inculcate scientific temper, impart skills and make an individual relate knowledge to real life situations wherein value of judgement is important in making decisions.

The college has invested its resources in putting in place modern teaching techniques, internet facilities and associated resources for the most exclusive use. College has a sprawling campus of 9.5 acres with lush green surroundings. The campus is Wi-Fi enabled with smart classrooms equipped with projection facilities and interactive monitors to make the classes most effective for all students with varied power of understanding and learning. College has an open-air amphitheatre, indoor auditorium, three-floored RFID enabled library, conference room and hostel for nearly 120 students. The college has produced a large number of alumni who are serving the nation with distinction in various fields. Our alumni have reached the high echelons in various industries, securing challenging and highly paid positions in top ranking companies/organisations in India and abroad.

College Vision and Mission

Vision

To emerge as one of the world's leading institutes through continuous highest academic standards by forging strong industry-academia bond and playing a pioneering role in research & development, so as to serve society by way of shaping professionals to conquer the present and future challenges to the socio-economic fabric of our society by dissemination of relevant knowledge through structured learning system. The college aims to change lives, build the future, impart technical expertise and improve industrial links through high quality applied learning.

Mission

To build and nurture a new generation of professionals by providing them education with a holistic perspective. To imbibe strong ethical values so that they can work as positive change agents in the new millennium. It will be our endeavour to assimilate and disseminate practical strategies to future professionals and to encourage their understanding of strategic perception to fulfil the mission of the organisation in the fast-changing global environment.

Teaching Staff

Governing Body Chairperson's Message

The college is named after Shaheed Shivaram Hari Rajguru who was an Indian revolutionary from Maharashtra, known for his involvement in the assassination of a British Raj police officer. He also fought for the independence of India and on March 23, 1931 was hanged by the British government along with Shaheed

Bhagat Singh and Shaheed Sukhdev. We salute their contributions, their dedication for the Indian people and the mode and mission of their life along with their achievements. We wish to embody in our students the same spirit of perseverance, strength and commitment.

As a constituent college of the University of Delhi, this institution is fully funded by Government of NCT of Delhi. In its pursuit of academic excellence, the college conforms to a healthy work environment, discipline, freedom of thought and expression, sense of consciousness for nation building and reverence for universal human values.

My vision for the college is to provide the students with an educational experience that inspires and motivates them to be lifelong learners and caring contributors to the world around them. Our goal is to provide a nurturing environment that meets the individual needs of student, both academically and socially.

To bring this vision to reality, we have a strong meticulously trained, dedicated and committed faculty and staff, who at each point of time are ready to guide and mentor the students. The faculties are dedicated to dispense their knowledge from their experiences in their own area of expertise to the students. Not only this, our faculty members are also caring, supportive and nurturing to the students as they engage with the students in this wonderful journey.

As you, we all have gone through an unprecedented global predicament last year. Each one of us have in some way been affected by the coronavirus pandemic and our entire way of life was

changed. Now, as we are back at normalizing our lives, at this time, I would like to assure you that your academics remain our top priority and our hard-working faculties have been doing an outstanding job in providing regular classes to the students.

Additionally, different student bodies and the teachers together host various workshops/ programs to ensure holistic development of all our students.

We are excited for the opportunity to get know all of you and I would like for all the students to be as excited for this new, exciting phase of their lives where they will not learn as students of their respective discipline but also as students in life as you discover yourselves. I wish you lots of curiosity and vigour for this journey that will undoubtedly be a rewarding one!

All the best!

Ms. Ila Srivastava

NIRF Ranking

The National Institutional Ranking Framework (NIRF) was approved by the MoE and was introduced on September 29, 2015. This framework outlines a methodology to rank institutions across the country. The methodology draws from the broad understanding of overall recommendations arrived at by a Core Committee set up by MoE, to identify the broad parameters for ranking various universities and institutions. The parameters broadly cover “Teaching, Learning and Resources”, “Research and Professional Practices”, “Graduation Outcomes”, “Outreach and inclusivity” and “Perception”. The college has been participating in the NIRF ranking for the past 4 years. We have been consistently placed in the top 100 in the college category. The college has secured 37th position with a score of 57.17 amongst 1802

participating institutions in the NIRF Ranking 2021. The India Ranking 2021 was released by Hon'ble Minister of Education, Shri Dharmendra Pradhan on September 9, 2021.

NAAC Accreditation

Shaheed Rajguru College of Applied Sciences for Women has been awarded the grade of A+ in second cycle by National Assessment and Accreditation Council (NAAC), which places it among the top institutions of Higher Education Institutions (HEIs) in India, to be granted such a coveted grade. The college scored a Cumulative Grade Point Average (CGPA) of 3.29. The college was the first college amongst all the colleges under University of Delhi to go for NAAC Accreditation in the second cycle.

The college has been praised for four major features by the Peer Team. They are: the college went for its NAAC accreditation for second cycle, appropriately and in time; the college is in top 100 in NIRF Ranking from last four years, it has quality of teachers and good infrastructure for imparting education to the students; a neat and clean, green, and well-maintained campus.

On the occasion, Prof. (Dr.) Payal Mago, Principal, SRCASW, said that "It is the hard-work of the IQAC coordinator, faculty, staff and our students that resulted in securing this recognition". Moreover, the college has a well-defined infrastructure which has resulted in the development of state-of-the-art advanced facilities. The college has adopted a flexible CBCS system that gives freedom to the students to undergo a multidisciplinary approach. The assessment process is well defined to evaluate the attainment level in critical thinking and problem-solving skills through programme-specific learning.

Established in 1994, NAAC is an autonomous body of UGC which assesses and accredits Higher Education Institutions (HEIs). NAAC has identified a set of seven criteria to serve as the basis of its assessment procedures: Curricular Aspects; Teaching, Learning & Evaluation; Research, Innovations and Extension; Infrastructure and Learning Resources; Student Support and Progression; Governance, Leadership and Management; and institutional Values and Best Practices.

By studying in an institution that is NAAC accredited, students get a chance to learn in a cutting-edge environment and earn a degree that will have global recognition. They get instant recognition as an alumnus of a credible institute and get better placement opportunities as the industry prefers hiring with higher-graded institutions.

The institutions, through NAAC accreditation, gets to know its strengths, weaknesses, and opportunities through an informed review process. The higher NAAC Grade of the institution promotes various intra & inter-institutional interactions.

Centre for Multidisciplinary Research, Innovation & Entrepreneurship (CMRIE)

Centre for Multidisciplinary Research, Innovation & Entrepreneurship is established in college to develop & execute research mindset, innovation & entrepreneurship amongst students, faculty and staff. The Centre aims to house and encourage these activities running in the college under one umbrella for its effective execution, funding and end results. The college is embedded with adequate and latest infrastructure and provides the necessary mentorship to form a base for multidisciplinary research, pre-incubation and entrepreneurship programmes.

The centre aspires to inculcate, enrich and nurture the innovative multidisciplinary research, entrepreneurial environment and start-up culture in and around the college. The mission of having CMRIE is to encourage students especially women from different disciplines to be career-oriented, self-sufficient and have a dynamic personality. The Centre aims for an overall growth and development of women and encourages them to initiate their own research or business ideas. Centre has been set up to foster a framework that supports social entrepreneurship and women start-up endeavours.

A funding of Rs 4.05 lakhs was received by the CMRIE through ICSSR as a first instalment. This has been utilised to create basic infrastructure of the Centre.

The events organised under the aegis of CMRIE are as follows:

- i-hub, the Entrepreneurship Development cell of Shaheed Rajguru College of Applied Sciences for Women under the aegis of IQAC, organized a webinar on “Intellectual Property Rights” on February 26, 2022. It was organized to help the young minds in resolving their doubts regarding IPR and how it works by asking their queries to the esteemed speaker of the session, Mr. Karan Kanwal who is the Principal Associate, Practicing Advocate, dynamic legal professional with interpersonal skills and has practical business knowledge.

RISP

All India Council of Technical Education (AICTE) in the year 2016, released a Startup Policy document for AICTE approved institutions. The policy aims at inculcation of innovation and entrepreneurship in higher education institutions (HEIs). With an aim to inculcate, enrich and nurture the entrepreneurial environment in and around the college, Shaheed Rajguru College of Applied Sciences for Women has formulated its own Rajguru Innovation and Start-Up Policy (RISP). It aspires to do so by creating an easily accessible and exhaustive set of resources for the young entrepreneurs, which includes the students, the budding professionals and mentors.

Vision

To enable the students to think innovatively, and work towards building their inspirational dreams into a viable and successful enterprise. Encourage them to opt for entrepreneurial ventures and to build a successful business.

Mission

- To encourage research and idea generation in the field of innovation and start-up.
- To provide an encouraging environment to the students and the faculties to support their entrepreneurial ventures and start-up ideas as a sustainable career choice.
- To build the institutional infrastructure to promote entrepreneurial ventures of the students and faculties.

- To strengthen the institute and provide proper aid in terms of training, skill development, capacity building, infrastructure, networking on a regular basis.
- To train and aid the students and faculties by providing required resources.
- To provide necessary guidelines to the stakeholders of the institute for developing the entrepreneurial agenda, managing Intellectual Property Rights (IPR) ownership, technology licensing and equity sharing in Startups or enterprises established by the student and faculties.

As we celebrate the *Aazadi ka Amrit Mahotsav* we at Shaheed Rajguru College of Applied Sciences for Women took the initiative to rebuild the image of India as a Vishva Guru. The ideas and practices sprawling from Indian culture and philosophy had defining influence on the world that is why India was the one and only 'Vishva Guru' to ever exist.

Shaheed Rajguru College of Applied Sciences for Women (SRCASW), University of Delhi, in collaboration with Indian Council for Social Science Research (ICSSR), Students for Holistic Development of Humanity (SHoDH) and Campus for Open Learning (COL) organised a National Seminar from March 23-24, 2022 at Paintel Memorial Auditorium, Vallabhbhai Patel Chest Institute. The two-day seminar began with paying tributes to our freedom fighters on Shaheedi Diwas and with the vision they had for India. The seminar encouraged the youth of today to present research and ideas in the areas and sub-themes of Historical Roots of Bharat,

Policy Building: Role of NEP & Education, Growth of Bharat: Health and Well-being and Economy, Sustainability & Indian Philosophy under the dynamic leadership of our Chief Patron, Hon'ble Vice Chancellor of University of Delhi, Prof. Yogesh Singh & Patron Prof. (Dr.) Payal Mago, Director, COL and Principal, SRCASW.

The first day of the seminar started with the Inaugural Ceremony where the welcome address was given by Prof. (Dr.) Payal Mago, who laid the foundation of the seminar with her inspiring words followed by address by Prof. Yogesh Singh. We had the privilege of having an eminent chief guest, Hon'ble Sri M Ji, a Padma Bhushan awardee and Chancellor of Maulana Azad National Urdu University, Hyderabad. He motivated the youth who hold the essence of India's spirit and represent the hope and future of the nation. He guided them on how India can achieve the status of being an unparalleled strong nation by being spiritually well connected with oneself and those around. The inaugural session concluded with the heartfelt gratitude and vote of thanks by Ms. Ila Srivastava, Chairperson, Governing Body, Shaheed Rajguru College of Applied Sciences for Women.

The seminar saw the presence of several experts and notable dignitaries from all walks of life which covered all the sub-themes of the seminar. Through this seminar, the audience had a wonderful opportunity to listen, learn and feel motivated by the experiences and words of wisdom shared by the speakers. The mid-morning session commenced with an address on the "Historical Roots of Bharat", which was chaired by Prof. Raj Kumar (Director, Vallabhbhai Patel Chest Institute) and saw the presence of eminent speakers Dr. H. Lucy (Founder, International Chandramouli Charitable Trust) and Shri Sunil Ambekar (Author, Educationist and Social Activist). Later, a panel discussion on the topic "Was Indian History Morphed by Colonists" was held with Dr. Rashmi Das (Author, Columnist and Media Panelist) as the moderator, and Prof. Vasant Shinde (Director General, National Maritime), Dr. Shovana Narayan (Padma Shree Awardee and Kathak Dancer) and Dr. Yuthika Mishra were present as the panelists. The last session for the day included talks by Shri Anand Kumar (Founder, Super 30 Programme), Prof. Shri Prakash Singh (Director, South Campus, University of Delhi) and Shri Atul Kothari (National Secretary, Shiksha Sanskriti Utthan Nyas). The session was on the topic "Policy Building: Role of NEP & Education", and was chaired by Prof. Prashant S.

Bokhare (Vice Chancellor, Gondwana University). The first day adjourned with a cultural programme presented by the students of SRCASW.

The second day of the seminar started with the session, 'Economy, Sustainability & Indian Philosophy', with a panel of speakers, Shri G. K. Agarwal (Ex-Director, IIC) and Prof. Dinesh Mohan (School of Environmental Science, Jawaharlal Nehru University). This session was chaired by Dr. Jaswinder Kaur (Principal, S.G.T.B. Khalsa College, University of Delhi). The next session, on 'Growth of Bharat: Health & Well Being' had Prof. U. S. Pandey (Principal, SOL) and Dr. Sakshi Sharma (Research Officer (Ay.), CARI, Ministry of Ayush) as speakers and was chaired by Prof. D. S. Rawat (Professor, Department of Chemistry, Dean Examination, University of Delhi). Succeeding this, a notable panel including Prof. S. K. Varshney (Scientist G, Department of Science and Technology), Prof. N. K. Chadha (Chief Psychometrician) and Prof. Unnat P. Pandit (Professor, ABVSME, JNU), moderated by Dr. Abhishek Tandon (Deputy Director, ICSSR), held an invigorating discussion on the topic 'Aatmanirbhar Bharat and Sustainability: Imaginary or a Practical Approach'.

The two-day long seminar ended with a Valedictory Session. The chief guest for the session was the Hon'ble Vice Chancellor of Jawaharlal Nehru University, Prof. Shantishree D. Pandit. The Guests of Honour were Dr. Balram Pani (Dean of Colleges, University of Delhi) and Dr. Alok Pandey (National-In-Charge, SHoDH). Prof. (Dr.) Payal Mago, addressed the gathering and spoke about the success seminar and walked the guests and audience with the two-day program and sessions. The dignitaries present also honoured the winners of the poster and paper presentations that were being held parallelly to the talk sessions. The gathering was also addressed by the revered Vice Chancellor of JNU, Prof. Shantishree D. Pandit, who moved the crowd with her powerful words and revolutionary thinking about India being a "Vishva Guru", the power of the youth and especially the women of today. Dr. Alok Pandey also expressed his appreciation towards the seminar and the hard work of all the organisers who made it a success.

Dr. Projes Roy ended the seminar with a heartfelt Vote of Thanks to the patrons, eminent speakers and the organisers. He also extended his gratitude to the faculty and students for their contribution. The college, along with all the organisers, hopes to spread the message of this seminar far and wide. It is imperative that the youth understand the history, that at times seems forgotten, so that they can bring this idea to its fruition.

Activities/Awards/Achievements

- The Department of Biochemistry organized its Annual Technical Fest – Elixir’22 on February 3-4, 2022. on Day 1 - Vinculum, the department organized a webinar on February

3, 2022 on 'Nucleic Acid Based Diagnostic Assay and their Application in Health Sciences'. The event started around 10 am. Around 90 people were active participants of the webinar. Ms. Anushka from first year opened the webinar by a warm welcome of students, faculty, and our guest Prof. Daman Saluja (Professor at Medical Biotechnology Laboratory, Dr. B R Ambedkar Center for Biomedical Research, University of Delhi). The event started with a lamp lighting ceremony followed by a small mascot video. She enlightened the participants by telling us about development of beacon based Polymerase Chain Reaction (PCR) mediated diagnostic assays for sexually transmitted diseases. She informed the students about the importance of PCR in various fields such as forensic evidence, paternity testing, and genetic disorder. Dr. Saluja has also designed a low cost, hand held fluorescent reader. More recently, her group has developed a low cost, novel method of qPCR. She informed us that she is currently working on a LAMP based diagnosis of Mycobacterium Tuberculosis. The webinar came to an end with a highly interactive QnA session between the guests and attendees. On February 3, 2022, at 2 pm the department under the aegis of IQAC organised a webinar on poster making competition on the topic 'Molecular Diagnosis'. Around 50 people were the active participants of the webinar. Ms. Khyati Gupta started introducing and followed by Ms. Meenakshi J and both were on hand to continue the webinar by addressing the guests, Dr. Kohinoor Kaur and Dr. Manisha Khatri. Session begins with introducing the effects of different drugs and molecules on particular's body that how a body responds to different molecules by giving a simple understandable example by speaker. Around 80 participants including the departmental staff and students joined this webinar. At last, the official vote of thanks on behalf of whole biochemistry department was given by Ms. Riya Sharma and the feedback form was circulated among attendees. The enthusiasm of every participant was clearly got to see in the chat-box itself and session actually met the peak expectation of every attendee.

Day 2 - The department organized a webinar on 'Molecular Diagnostics and its Application'. The webinar commenced at 11:00 am by introduction of the esteemed speaker. The speaker was Mr. Ravik Krishnan Elangovan, Associate professor, Department of Biochemical Engineering and Biotechnology, IIT-D. He explained about interesting diagnostics technologies, how to find a problem and about existing diagnostics solutions, their advantages and disadvantages. and after the presentation, a question and answer round was

held where participants asked their questions and the speaker gave answers. on the second day of the session of Vinculum, the department invited everyone to take part in a problem solving competition 'Connect and Correct' connect the statement and induce the answer. All the participants were asked to fill out a registration form whose link was circulated on the official instagram account of Biochemistry. Cash prize was also given to the winner. The winner for the 'Connect and Correct' was Ms. Nancy Jain, student of Gargi College, University of Delhi.

- The Biochemistry Department of SRCASW organized the farewell for the third year students made various arrangements for the online farewell. The event was conducted via the google meet platform. Students prepared beautiful invitation cards with sweet messages in the form of PDF as the farewell was conducted in the online mode because of this pandemic. The function commenced at 2:00 pm in the afternoon with the welcoming of teachers and students. Ms. Meenakshi and Ms. Anamika hosted the event with greetings, followed up by a beautiful video for seniors. They were nostalgic and so overwhelmed after seeing the video. Then the teachers started sharing their experiences with students and wished them good luck for their future. in the end, Dr. Sadhna Jain (HOD of the department) recited a beautiful poem that summed up all the precious moments. After that seniors shared their experiences, confessions with teachers and their fellow mates. one of them sang a song. Afterward, students of the second year gave their seniors fancy titles suiting their personalities. It was very amusing to hear them out. Some of them were hilarious. Then a small game session named 'Kaun Banega Champion' was held. After the game, a short dance video was presented to them made by the first and second years. Many other games were also played. The event was ended with a short beautiful and emotional video. At the end of the meeting 'Yearbook 2021' was mailed to each senior. All the seniors got emotional. All the students enjoyed it. It was a successful event.
- The students of the Department of Biochemistry organised a teacher's day celebration on September 6, 2021 to thank their teachers for guiding them even in that difficult pandemic time. The event was conducted online on the Google meet platform. It started with an emotional video by the students in which they expressed their gratitude and appreciation for their teachers. It was followed by an entertainment video in which students dance determined

for the teachers. The event concluded with a positive interaction between teachers and students.

- The Department of Biochemistry organized a one-day trip to Wild Camp, Dhauj on March 7, 2022. We arrived at the destination after taking an amusing three hours bus trip. We were greeted by welcome drinks, and then we played different team games along with the teachers. We all sat down at the dining room for the delicious veg-buffet lunch. Teachers forced us into doing recreational activities like cricket, football, volleyball etc. We did various strenuous yet amazing activities like commando net, tunnel crawl, V bridge, cat walk, tyre loops etc. The most anticipated and amusing was the hike to the top of the Aravali Hills. We clicked various pictures together and then came down safely. We had our evening tea and snack and then turn up to the bus and arrived at the college.

Activities/Awards/Achievements

- The Department of Biomedical Science, organized their much-awaited tech fest, Plexus'22, on January 28, 2022. The theme for this year was "Biosensors-Augmenting Biology Through Technology". The eminent speakers for the day were Dr. V. V. Raghavendra Sai, Associate Professor, Biomedical Engineering, Department of Applied Mechanics, IIT Madras, and Dr. Pranjal Chandra, Assistant Professor and Ramanujan Fellow, School of Biochemical Engineering, IIT BHU. The event began with a warm welcome speech delivered by the anchors, Ms. Shruti Tusele and Ms. Aditi Mathur. After the speech Dr. Shruti Banswal greeted and welcomed all the esteemed guests to the event. The special guest lectures were

the highlight of the event. Beginning with Dr. V. V. Raghavendra Sai, who gave an insightful talk on “Diagnostic Healthcare Technologies- Are the Current ones Sufficient Enough?”. He introduced everyone to biosensors and gave a detailed explanation of their applications and the working principle. He also gave a brief about every biosensors invention in the health care sector including pregnancy tests and covid test kits. The next lecture was by Dr. Pranjali Chandra, he spoke on “Biosensors: An intelligent Diagnostic Tool”. in his talk, he explained the importance of robust, reliable, and quantitative detection of biomarkers at ultra-low concentrations in clinical settings. He described the engineering designs of sensor systems and the role of analytical parameters in the development and success of point-care biosensors. The talks were a fascinating learning experience for the participants. The scientists inspired the young students to have patience and curiosity to understand and explore the scientific world full of adventures and discoveries. The audience then witnessed the grand release of Perplexion, the departmental e-magazine, for the session 2021-22. It was the result of remarkable efforts from the editorial team and students of the department through the constant support of the professors. The magazine's beautiful design and intriguing content were appreciated by everyone. The event culminated with the vote of thanks by Ms. Anindita Mathur, President, Chimera. Activities/Awards/Achievements

- The Departments of Chemistry, Mathematics, Physics and Statistics organised their annual technical fest Trap 2022 on January 28-29, 2022 through online mode. The fest witnessed a huge turnout of students due to its unique and innovative concept of online quizzes and events. Trap has always been an inter-departmental event which brings together all the four departments in organising events and coordinating among themselves. This year, Trap had two different segments; the first being technical/ educational lecture series, and the second being the fun event section, which has students participating in quizzes, monologues, presentations and relays.

The first talk conducted on the first day of the event was “How to Read Scientific Literature” by Dr. Anupama Harshal W., Superheroes against Superbugs Fellow Consultant, Science Communication and Public Engagement, MANAV, IISER, Pune. Dr. Harshal guided the students on how to start reading scientific literature, how to choose a topic for reading, etc. She explained how to segregate reliable information from the abundant information available online. She also highlighted the reliable sources of information and data while writing a scientific paper. A few quizzes were also organized during the session to help students understand the importance of being an attentive reader. Various questions of the students were answered and around 90-100 students attended the talk.

The second talk of Trap was organised on the second day of the event. It was an online session by Mr. Jitin Chawla on "Emerging Opportunities after Undergraduate Studies" on the Google Meet platform. It was live-streamed on Youtube as well. He talked about the various opportunities that science and mathematics students have after graduation. He also informed about different scholarships for Indian students who want to study abroad. He and his team also discussed about many emerging opportunities in the field of science, medicine, data and start-ups. He emphasised on always keeping a broad mindset while choosing a field of study, and looking at all the opportunities that particular subject has. He advised the students not to be bogged down by the pressure of ever-changing scenario of the job market, but to try and excel in whatever field we choose. The session concluded with a question answer session with him and his team.

Media Maze, the fun event under Trap 22 was held in two rounds. The first round was open for all where the participants had to guess the reel audios or trend through the muted

signature steps. It was a successful competition which saw participation in huge number. At the end of the first-round top 15 participants were chosen for round two. Round two was a puzzle round with a song as the hint and was quite enjoyed by the participants. At the end of the event the winners were: Ms. Divyanshi Singh (First Prize), Mr. Aryan Kundu (First Runner Up) and Ms. Janvi Batra (Second Runner Up). The-Riddle-Orem, the main event under Trap was held in three Rounds. in the first round the participants had to match the correct option from the column after which top 20 participants qualified for the second round. in the second round the participants had to guess the theorem by the statement and the top 10 participants qualified for the third round in which participants had to sort the statements of proof of given theorems. The competition was a treat for all the mathematics enthusiasts. The winners of the competition were: Ms. Sakshi Rani (First Prize), Ms. Kewal Mohapatra (First Runner Up) and Mr. Manish Chauhan (Second Runner Up).

- A web-based farewell for the passing out batch of 2021 was organised by the Department of Mathematics on Google Meet platform on July 14, 2021. Further, based on the winners in the competition were as follows: Ms. Vaishnavi a third year student from the Department of Mathematics bagging the first position, Ms. Khushi Jaiswal a second year student from the Department of Computer Science securing the second position and Ms. Pragya Raj a second year student from the Department of Psychology earning the third position.
 - Yoga Competition: inter-department “Yoga competition” was organized on January 5-6, 2022 from 07:30 am to 9:00 am (online) on Google Meet platform. We received total

participation of 34 students from different departments of our college and further, based on the winners in the competition, students were selected for our college yoga team for this session Ms. Khushi Panwar a first year student from the Department of Computer Science bagging the first position, Ms. Richa Jaiswal a third year student from the Department of Psychology securing the second position and Ms. Abhilasha Tariyal from the Department of Financial Studies earing the third position.

- An Inter-Department Aerobics Competition was organized on January 11-12, 2022 from 7:30 am to 9:00 am (online) on Google Meet platform. This was open for all students. We received total participation of 18 students from different departments of our college. Further, based on the winners in the competition, students were selected for our college Aerobics team for this session. The Prize holders of this competition were Ms. Akanksha Mehta a first year student from the Department of Financial Studies bagging the first position, Ms. Sakshi Singh a second year student from the Department of Psychology securing the second position along with Ms. Khushi Pawar a first year student from the Department of Computer Science and lastly, Ms. Abhilasha Tariyal a first year student from the Department of Financial Studies securing the third position.
- Certificate Course in Therapeutic Yoga: The Department of Physical Education and Sports under the aegis of IQAC organized a 'Certificate Course in Therapeutic Yoga' from January 17 to 15 February, 2022 (Monday to Saturday) from 7:30 am to 9:00 am online on Google Meet platform for the students, staff members, family and friends. There were 39 students, staff members' family and friends who participated and completed the course. At the end of the course there was a practical and theory exam. Those who had secured minimum 90% attendance were eligible for appearing in the online practical examination. Certificates were awarded to the 23 candidates who cleared the practical examination.
- Spardhaa 2022 -The Sports Fest: Department of Physical Education and Sports under the aegis of IQAC organized Spardhaa'22 the annual sports fest from February 26-27, 2022 through various online mode. Students from various colleges participated in this event. Opening ceremony was held on February 26, 2022 at 9:30 am on Google Meet. Dr. Balaram Pani, Dean of Colleges, University of Delhi was the chief guest who inaugurated the sports meet. Prof. (Dr.) Payal Mago, Principal of the college also delivered a speech and motivated

the participants. The opening was followed by various events like Rhythmic Yoga, Aerobics, Skipping, Push ups etc.

Achievements of Prof. (Dr.) Payal Mago, Principal

Prof. (Dr.) Payal Mago has been actively involved in research activities. The contributions for the year 2021-22 are listed here:

- Principal, Shaheed Rajguru College of Applied Sciences for Women.
- Director, Campus of Open Learning (University of Delhi).
- Dean, Faculty of Open Learning (University of Delhi).
- Member of the General Body of National Open School Society (NOSS) (University of Delhi).
- Member of the Executive Council of Central University of Rajasthan.
- Head, Department of Distance and Continuing Education (University of Delhi).
- Member, Thematic Committee for Centenary Celebration of University of Delhi.
- Mago, P., Bhatiya, R., Gosain, N., & Awasthi, D. (2022). Bishnoi Community Model: An Indian Ecological Feminist Approach to Environment Protection. *Ecofeminism and Climate Change, ahead-of-print* (ahead-of-print). <https://doi.org/10.1108/efcc-06-2021-0011>

- Priya, Dev, R., Poonam, Mago, P. & Kumar, S. (2022). An Impact of Online Education on Attention and Concentration of Students during Covid-19. *NIU International Journal of Human Rights*, 9(I).
- Patron at "Vishva Guru Bharat: Exploring the Glorious Past, Promising Present & Future Roadmap" organized by SRCASW, University of Delhi in association with ICSSR, SHoDH & COL (DU) held on March 23-24, 2022.
- Patron at Strategies to Crack NET-JRF and Masters Entrance Exam in Life Science organized by SHoDH – Delhi in collaboration with Rajgurukulam, SRCASW held on February 4, 2022.
- Resource Person at Three Days Lecture Series on NEP 2020: Delhi University Undergraduate Curriculum Framework 2022 organized by Institute of Lifelong Learning (ILL) in collaboration with Mahatma Hansraj Faculty Development Centre (A Centre of MoE under PMMMNMTT Scheme), Hansraj College held on January 27-29, 2022.
- Distinguished Guest for inauguration of Atal Tinkering Lab at East Point School held on August 16, 2021.
- Prof. (Dr.) Payal Mago (Project Director) and Dr. Nupur Gosain (Co-Project Director) in ICSSR funded Research Project on Ecological Feminism of Indian Women – A Comprehensive Study on Indigenous Practices for Sustainable Development. Teacher Coordinators: Dr. Smita Sundaram, Dr. Prachi, Dr. Lakshmi Pasricha Sarin, Mr. Rituraj Anand, Dr. Dimpy Handa and Dr. Rajdeep Singh.

Achievements and Activities of Faculty Members

Laurels of Faculty Members

- Dr. Rekha Mehrotra, Department of Microbiology, was honored as Eminent Teacher award from International Multidisciplinary Research Foundation, Institute of Higher Education and Research, India on World Teacher's Day, 2021.
- Dr. Sneha Kabra, Department of Instrumentation, received Meritorious Teachers award by Delhi Government on March 4, 2022.

- Dr. Deepa, Department of Statistics, received National Education Excellence Award' 2021 in 'Econometrics' organized by the International Multidiciplinary Research Foundation (IMRF) on the Word Science Day & National Education Day, 2021 by Awards Comittee, Regd. with Govt of India, Niti Aayog NGO Darpan, Vijayawada, Andhra Pradesh, India held on November 11, 2021.
- Dr. Jyoti Nishad, Department of Food Technology, received SADHNA All India Best Research Award at Doctorate Level 2021, SADHNA, (Society for Advancement of Human and Nature), Dr. YS Parmar University of Horticulture and Forestry, Himachal Pradesh.
- Dr. Jyoti Nishad, Department of Food Technology, received Nicholas Appert Teaching Excellence Award 2022 in Food Technology, International Multidisciplinary Research Foundation.
- Dr. Jyoti Nishad served as Business Coach for two teams in a Government of Delhi Initiative Business Blaster 2022. Dr. Prachi Singh, Department of Environmental Studies has received Patent No. 380921, JNU. Pyrolysis Reactor for the Biochar Production from Agricultural residues. M. Patel, R. Kumar, P. Singh and D. Mohan. Indian Patent.
- Dr. Prachi Singh, Department of Environmental Studies has received Patent No. 201811010032. Rice Husk Iron-Oxide Biochar Composite (RHIOB) and Wheat Husk Iron-Oxide Biochar Composite (WHIOB) for As(III) removal from water, P. Singh, A. Sarawat, D. Mohan. Indian Patent.

6	Biochemistry	Dr. Alok Kr Singh (Organising Sec.), Dr. Bhawana, Dr. Lakshmi Sarin, Dr. Mohita Bhagat, Dr. Tarun Kumar Dr. V A Pratyusha Dr. Sadhna Jain	Attended Curtain raiser Azaadi ka Amrit Mahotsav on September 24, 2022
7	Biochemistry	Dr. Alok Kr Singh, Dr. Bhawana (Convenor). Dr. Lakshmi Sarin, Dr. Mohita Bhagat (Convenor), Dr. Tarun Kumar, Dr. V A Pratyusha Dr. Sadhna Jain	Elixir'22, Molecular Diagnostics and their Applications on March 3, 2022 to March 04, 2022
8	Biochemistry	Dr. Bhawana, Dr. Lakshmi Sarin (Convener), Dr. Mohita Bhagat (Convenor), Dr. V A Pratyusha,	Webinar on Gender Pronouns and Mental Health-Seeking Attitude on June 28, 2021

9	Biochemistry	Dr. Bhawana, Dr. Lakshmi Sarin (Convener), Dr. Mohita Bhagat (Convener), Dr. V A Pratyusha, Dr. Sadhna Jain	Webinar on Post-Covid Complication and Palliative Care - Impact of Covid-19 on Cancer on July 31, 2021
10	Biochemistry	Dr. Lakshmi Sarin, Dr. V A Pratyusha	Attended a Webinar on Covid-19 therapeutics organized by department of Biochemistry, Shivaji College, University of Delhi on April 6, 2021
11	Biochemistry	Dr. Bhawana, Dr. Lakshmi Sarin (Convener), Dr. Mohita Bhagat, Dr. V A Pratyusha (Convener), Dr. Alok Kr Singh, Dr. Sadhna Jain	Webinar on National Science Day on the topic: Integration of Science and Technology in Diagnostics on March 28, 2022
12	Biochemistry	Dr. Bhawana, Dr. Lakshmi Sarin (Convener), Dr. Mohita Bhagat (Convener), Dr. Alok Kr Singh	Organized Panel Discussion on shifting of legal age of marriage to 21 for women on January 15, 2022
13	Biochemistry	Dr. Lakshmi Sarin (Convener), Dr. Mohita Bhagat (Convener)	Organized Extempore Competition on the theme of Sustainable trends for a responsible citizen on January 29, 2022
14	Biochemistry	Dr. Bhawana, Dr. Lakshmi Sarin, Dr. Mohita Bhagat	Online Session on Ecological Feminism of Indian Women, A comprehensive study on Indigenous practices for sustainable development on October 4, 2021
15	Biochemistry	Dr. Bhawana, Dr. Lakshmi Sarin, Dr. V A Pratyusha	Webinar on Mahila Paryavaran Parirakshak on August 13, 2021
16	Biochemistry	Dr. Bhawana, Dr. Lakshmi Sarin (Organizer), Dr. V A Pratyusha	Dialogue series with Harpreet Ahluwalia and Priyanka Dev on August 20, 2021

17	Biochemistry	Dr. Lakshmi Sarin, Dr. V A Pratyusha	Dialogue Series with Women Environmental Conservationist Temsutula Imsong on August 27, 2021
18	Biochemistry	Dr. Lakshmi Sarin (Organizer), Dr. V A Pratyusha	Dialogue Series with Women Environmental Conservationist Vibha Gupta on September 3, 2021
19	Biochemistry	Dr. Lakshmi Sarin	Dialogue Series with Women Environmental Conservationist Indu Sinha on September 26, 2021
20	Biochemistry	Dr. Lakshmi Sarin	Dialogue Series with Women Environmental Conservationist Neha Satheesan on October 3, 2021
21	Biochemistry	Dr. Lakshmi Sarin (Organizer)	Dialogue Series with Women Environmental Conservationist Mohita Bhattacharya and Sangita Srivastava on October 22, 2021
22	Biochemistry	Dr. Bhawana, Dr. Lakshmi Sarin, Dr. Mohita Bhagat, Dr. V A Pratyusha	Dialogue Series with Women Environmental Conservationist : Experience sharing of Leh Ladakh Field trip on October 4, 2021
23	Biochemistry	Dr. Lakshmi Sarin	Dialogue Series with Women Environmental Conservationist Sandhya Menon and Urmila on October 29, 2021
24	Biochemistry	Dr. Bhawana	Dialogue Series with Women Environmental Conservationist' - Madhu Rai Ji on August 6, 2021
25	Biochemistry	Dr. Bhawana	A Series on Dialogue (Part-7) with women Conservationist Ms. Priyam Guha September 17, 2021
26	Biochemistry	Dr. Bhawana	The National Level Webinar on Investor Awareness Program conducted by SRCASW in association with Ambition Learning Solution held on March 8, 2022.
27	Biochemistry	Dr. Alok Kr Singh, Dr. Bhawana. Dr. Lakshmi Sarin, Dr. Mohita Bhagat (Convenor), Dr. Tarun Kumar,	Seminar on Integration of Science and Technology in Diagnostics organised by department of Biochemistry on March 28, 2022

		Dr. V A Pratyusha (Convenor), Dr. Sadhna Jain	
28	Chemistry	Dr. Anjeeta Rani, Dr. Shrish Agnihotri, Dr. Shuchi Dhingra	Attended National Level Webinar on Investor Awareness Program conducted by Shaheed Rajguru College of Applied Sciences for women in association with Ambition Learning Solutions held on March 08, 2022.
29	Chemistry	Dr. Deepak Kumar, Dr. Mukesh Kumar, Ms. Neha Sagar, Dr. Shrish Agnihotri, Dr. Shuchi Dhingra	Attended National Seminar on Vishva Guru Bharat: Exploring the Glorious Past, Promising Present & the Future Roadmap organized by Shaheed Rajguru College of Applied Sciences for Women (University of Delhi) in association with ICSSR, SHoDH & COL(DU), March 23-24, 2022.
30	Chemistry	Ms. Neha Sagar, Dr. Shuchi Dhingra	Attended One Day Online National Webinar on Implementation of Academic Bank of Credits organized by Guru Angad Dev Teaching Learning Centre SGTB Khalsa College, University of Delhi (under the PMMMNTT, MHRD) held on July 10, 2021.
31	Chemistry	Dr. Shrish Agnihotri	Attended national webinar on "Aaj ke Sandarbh main Vedic Ganit ki Prasangikata" organized by Center for Vedic Mathematical Studies, Central University of Himanchal Pradesh, Dharmshala, District Kangra, Himanchal Pradesh on September 03, 2021.
32	Chemistry	Dr. Shrish Agnihotri	Attended online Session on "A series of dialogue on women conservationist Ms. Priyam Gupta live from Ladakh, an initiative under ICSSR project: Ecological Feminism of Indian women, comprehensive study on indigenous practices for sustainable development organized by Shaheed Rajguru College of Applied Sciences for Women, University of Delhi held on September 17, 2021 .
33	Chemistry	Dr. Shuchi Dhingra	Attended One Day Online National Webinar on The Importance of Data Visualization organized by Guru Angad

			Dev Teaching Learning Centre SGTB Khalsa College, University of Delhi (under the PMMMNMTT, MHRD) held on August 10, 2021.
34	Chemistry	Dr. Shuchi Dhingra	Attended National Webinar on Spectroscopy and its Applications organized by Department of Science, Lady Irwin College, University of Delhi held on August 14, 2021.
35	Chemistry	Dr. Shuchi Dhingra	Attended National Webinar on Teacher's e – Kit: A four Quadrant Approach for Development of OERs for Higher Education organized by Guru Angad Dev Teaching Learning Centre SGTB Khalsa College, University of Delhi (under the PMMMNMTT, MHRD) held on September 09, 2021.
36	Chemistry	Dr. Shuchi Dhingra	Participated in Chemistry Festival for Students & Teachers: Green Chemistry, Education, Research & Practice organized by Royal Society of Chemistry, London, North India Section, Hindu College, University of Delhi & Green Chemistry Network Centre held on October 01, 2022.
37	Chemistry	Dr. Shuchi Dhingra	Attended Webinar on Environmentally benign solvents for sustainable development organized by Department of Chemistry in association with IQAC, Hansraj College, University of Delhi held on October 23, 2021.
38	Chemistry	Dr. Shuchi Dhingra	Participated in Awareness/Training program under National Intellectual Property Awareness Mission organized by Intellectual property Office, India held on January 03, 2022.
39	Chemistry	Dr. Shuchi Dhingra	Attended Webinar on Fundamentals and Applications of Physics on the topics Nanoscale characterization using Electron Microscopy, Optical Tweezers – A breakthrough in Science that won the Nobel Prize 2018, Opportunities in Nuclear and Radiation field in India organized by Department of Physics

			under the aegis of IQAC, Shaheed Rajguru College of Applied Sciences for Women, University of Delhi held on January 8, 2022.
40	Chemistry	Dr. Shuchi Dhingra	Attended Webinar on Fundamentals and Applications of Physics on the topic How do Galaxies, like the Milky way, form in our Universe organized by Department of Physics under the aegis of IQAC, Shaheed Rajguru College of Applied Sciences for Women, University of Delhi January 15, 2022.
41	Chemistry	Dr. Shuchi Dhingra	Participated in International Symposium on Chemical Wisdom by Her organized by Department of Chemistry, Deshbandhu College, University of Delhi held on January 31, 2022.
42	Chemistry	Dr. Shuchi Dhingra	Completed One Professional Development Hour by attending Special Public Webinar (as part of the Azadi Ka Amrut Mahotsav) on Charge carrier dynamics in organic and perovskite solar cells organized by DDU College, University of Delhi, The National Academy of Sciences, India, Allahabad, under the aegis of DBT Star College Program held on February 01, 2022.
43	Chemistry	Dr. Shuchi Dhingra	Completed One Professional Development Hour by attending Special Public Webinar (as part of The Azadi Ka Amrut Mahotsav) on Making sense of climate change on the local scale organized by Deen Dayal Upadhyaya College, University of Delhi, The National Academy of Sciences, India, Allahabad, under the aegis of DBT Star College Program held on February 02, 2022.
44	Chemistry	Dr. Shuchi Dhingra	Attended International Webinar on Chemical Education (IWCE 2021) organized by Department of Chemistry, Kamla Nehru Mahavidyalaya, Nagpur, Department of Chemistry, Govt. About: Shaheed Rajguru College of Applied Sciences for Women in affiliation with Department of German and Romance Studies, University of Delhi offers certification and diploma courses in German language.

Knowing one foreign language alongside regular academic qualification adds significant value to career prospects. German is a West Germanic language related to and classified alongside English and Dutch. German language is one of the world's major languages with an estimated 90–98 million native speakers and is the most widely-spoken first language in the European Union. In many countries including India, German competence worldwide makes it the most popular language. It is one of the three working languages of the European Commission, along with English and French and is one of the official languages of the European Union. The scope of foreign languages as a career is stupendous and candidates willing to explore it have a multitude of job opportunities in various multinational companies and multilateral organisations.

In 2020, "German Language Diploma Course" was introduced along with already ongoing "German Language Certification Course" which was started in 2019, these are part time language courses in affiliation with Department of German and Romance Studies, University of Delhi. A batch of 19 students for diploma course and 32 students for certification course from various colleges enrolled and are taking classes at SRCASW.

Ek Bharat Shreshtha Bharat (EBSB Club)

Faculty Convenor: Dr. Manisha Khatri

About: Established in January 2020, EBSB Club of SRCASW was created under the 'Ek Bharat Shreshtha Bharat' initiative of MHRD, Government of India'. The ideology was proposed by the honorable Prime Minister on October 31, 2015, the birth anniversary of Sardar Vallabhbhai Patel, who is known for uniting the country as one nation. Under this initiative, the states and the union territories of the nation are paired with each other. Hence, Delhi has been paired with Sikkim.

The states organise various activities and festivals for promoting the rich culture and heritage of their paired States and union territories. Keeping that in mind, we, at EBSB Club of SRCASW strive to conduct various engaging activities that promote the culture, traditions, language, folk dance, folk music and cuisine of Sikkim.

Entrepreneurship Development Cell

Faculty Convenor: Dr. Ranjana Singh

Faculty Co-Convenor: Ms. Prabhjot Kaur Sabharwal

Faculty Members: Dr. Alok Singh, Dr. Deepak Jaiswal, Dr. Dimpy Handa, Ms. Juhi Jham, Ms. Neha Gandhi, Dr. Nupur Gosain, Ms. Rableen Kaur Rao, Ms. Neha Garg, Dr. Manisha Khatri and Dr. Twinkle Sachchan

About: Women entrepreneurs account for improved economic growth and stability within a country. They inspire other women to start businesses, which leads to more job creation for

women which ultimately helps in reducing the gender gap in the workforce. When women become successful in a field, the next generation of women is more likely to emulate their success.

With this in mind, on October 9, 2015, *i-hub*, the Entrepreneurship Development Cell of Shaheed Rajguru College of Applied Sciences for Women, was inaugurated by the then Hon'ble Deputy Chief Minister of Delhi, Mr. Manish Sisodia.

i-hub works towards developing an entrepreneurial environment for young women, to promote skill development and training in order to embed the trait of self-dependency and out-of-the-box thinking. The members of *i-hub* take part in events and exercises that challenge their minds and push them towards developing an entrepreneurial mindset and inculcate business ideas and a tendency to take calculated risks that can result in a successful enterprise which fulfils the needs of society and consumers.

At *i-hub*, we are proud to call ourselves the hub of budding female entrepreneurs who will go on to start businesses and enterprises that will change the world for the better.

Equilibrium – The Economics Society

Faculty Convenor: Ms. Juhi Jham

Faculty Members: Ms. Yuthika Agarwal and Mr. Santosh Babu

About: Equilibrium, The Economics Society, Shaheed Rajguru College of Applied Sciences for Women, is central to the core principle of academic research enshrined within the institution.

A student-run endeavor delving deep into not only economics but the growth of students in varied fields. Dedicated towards the promotion of interest and awareness about matters related to economics, the society undertakes a plethora of initiatives including primary data projects, academic journals, policy reports, besides interactions with luminaries and organizations. Equilibrium strives to extend economic concepts, through a series of multi-disciplinary and mind-stimulating events like real-time economic, market simulations and data analysis to in-house discussions on relevant economic issues.

To address the changing education and corporate requirements from a candidate, we have a special focus on the domains of Research and Analysis. To implement the said skills and acumen, Simulation based activities are conducted, whereby, we replicate real-life scenarios to

integrate student's technical and behavioral skills, such as Guesstimate, Market speculation, Case Study Competitions.

- **Skill Enhancement Boot Camp:** Mark-Haven organised a two day exemplary skill enhancement boot camp exclusively for its members on February 5, 2022 and February 6, 2022. The Boot Camp included 4 sessions which are as follows:

Day-1: two events were organised on the first day of the boot camp which included:

 1. **Basics of Canva:** The keynote speaker for the event was Ms. Hitaishi Garg. She is currently pursuing her Bachelors of Management Studies from Shaheed Rajguru College of Applied Sciences for Women, University of Delhi. She is also an Advisory Board member at Mark-Haven and is a Human Resource intern at Chayoos. The session started with the speaker familiarizing the members with the application Canva. She illustrated in

great detail the basics of designing social media posts, instagram reels, videos, etc. on the application. The event was insightful and helped members learn the skills of designing the content on social media.

2. **Content and Research Writing:** The honourable speaker for the event was Ms. Vandana Saxena. She is a soft skill trainer and a content writer. She is an HR professional by discipline and a creative writer by passion. She has won the Most Prestigious Women in Corporate Awards by the Asian Literary Society in 2021. During the event, the speaker explained the intricate principles of writing engaging content. The main focus of the session was on how to write engaging and relevant content for digital media such as blogs. She gave her tips and tricks and the helpful tools she uses while writing content for her own blog. Overall, the session was extremely engaging and insightful.

Day-2: For the last day of the boot camp two sessions were organised, which are:

1. **Essentials of a Profile Building on LinkedIn:** The distinguished speaker for the event was Ms. Priyal Keni. She is a Chartered Accountant by Profession and is currently working in the consultancy domain. She has won multiple national medals including the prestigious Chhatrapati Shivaji Award. She runs a sports-based NGO and is a three time TEDx speaker. She has been named the McKinsey Next Generation Women Leader and is a GGI Scholar. The session was extremely interactive which started with the speaker illustrating her journey of gaining popularity on the LinkedIn platform. With this, she demonstrated how to make a LinkedIn profile and shared her insights on the features of a good LinkedIn profile. The session was extremely beneficial for the members.
2. **Basics of Marketing and its Dimensions:** This event was the closing session of the two-day Boot Camp. The distinguished and honourable keynote speakers for this webinar were Ms. Rableen Kaur Rao and Ms. Tanusha Jain. Ms. Rableen Kaur Rao is the teacher convenor of Mark-Haven. She is an Assistant Professor at the University of Delhi and is pursuing her Ph.D. from Delhi School of Economics. She has published numerous research papers and has more than five years of working experience in the field of marketing. Ms. Tanusha Jain is the co-convenor of Mark-Haven. She is an Assistant Professor at the University of Delhi. She holds an MBA in Marketing and is currently pursuing her Ph.D. in marketing. She also bears more than twelve years of working

experience in the field. During the session both the speakers provided valuable and insightful knowledge on marketing. They explained the intricate concepts of marketing to the members. This was immensely beneficial for the members as it helped them to enhance their understanding of the discipline.

- **Live Projects:** Mark-Haven takes up various live projects to facilitate holistic growth and development of its members. These projects provide real-life experience to the members and help them gain insights into the corporate culture and the industry.

Live Projects taken up by the society are:

1. **Narangi:** Narangi started as a social initiative by Ms. Meera Paliwal, a housewife with a keen interest in types of fabrics. She started a venture called Adhar after she worked for a while with her friend who was a designer. Ms. Paliwal wanted to help unskilled women from underprivileged sections of society. She started by teaching these women how to sew various products like garments, jewellery, etc. to launch her new product line, Narangi.

Mark-Haven worked to build an online presence for her brand, Narangi. For the brand, we designed a logo, curated a tagline and established their instagram page. Our team was in charge of creating the content for the page to showcase the products of the brand in a better and attractive light. We created several reels based on the latest trends to become on board with popular small business trends on the platform. We also designed several posts exhibiting the products of the brand.

2. **Social Parindee:** Social Parindee is a marketing and PR Agency. Mark-Haven collaborated with them for one month where a team of 16 members was divided into 3 groups working on three separate projects for one month.
 - a. Project A included 5 members who did a competitive analysis for a celebrity to find out potential collaborations and latest trends going viral over the social networking app, instagram for the celebrity that fit her profile. The members also scanned the market for various competitors of the celebrity. The members were also in charge of studying and suggesting ideas for the content that could be posted over their page following the celebrity's brand image. The members not only created a database of potential collaboration but also approached brands for PR related activities via emails, calls and instagram to bring in and finalise various collaborations for the said

celebrity. By the end of the project, 2 final collaborations were achieved and more than 15 positive leads were generated by the members for the celebrity.

- b. Project B consisted of 6 members. The project was based on a start-up called Mom's Kitchen. Under the project, the members first conducted market research to find out strategies to introduce the start-up as a franchise into the market. This included in-depth research of their competitors like Kake Di Hatti to study the marketing strategies undertaken by them. For the next part of the project, the team created a database of food bloggers on various social media platforms. The members contacted these bloggers and influencers via various channels and negotiated collaborations with them. The team was able to generate various positive leads and conventions for the brand.
 - c. Project C also consisted of a team of 5 members. The project started with a SWOT Analysis of the competitor brands like Aava Water, Oxyrich, Flow, Voss, Qua, Alkalen, etc of a Delhi based, mineral water company, Azoic Water Pvt. Ltd. It also included an analysis and suggestions of the distribution channels to help lower the cost of distribution. The team also studied the social media page of the brand along with the marketing strategies of its competitors and their packaging and gave their inputs regarding the same. This was to help increase the product's accessibility and availability in the market. With the end of this, Project Cuppanutri was introduced. This project was in association with a dietician and sports nutritionist, Ms. Abhilasha Jain. The aim was to collaborate with various schools to introduce a sports nutrition curriculum in schools as sports is vital due modern urban lifestyle. Under the project, the members had to create a database of schools in Hyderabad and Bangalore and carry out Public Relations activities like communicating, mailing, etc. for collaborations. Overall, all the projects were extremely successful and received generous feedback from the members as it helped with great value addition in the form of practical experience.
- **Competitions:** Mark-Haven organizes various competitions regularly. These competitions are based on numerous concepts of marketing. These competitions are quite popular and receive immense participation from prestigious universities pan-India. They encourage

management and interpersonal skills and facilitate growth and development of the members. These include:

1. **Mark-O-independence and Taking India Overseas:** Under the umbrella of Azadi ka Amrit Mohotsav, Mark-o-Independence and Taking India Overseas were organised on July 23 - July 24, 2021, respectively. Awards/Activities/Achievements

- **Bhartiya Aachar:** on August 15, 2021 under the occasion of 75 years of independence, under Azaadi ka Amrut Mahotsav, the North-East Cell had organized a Reel Making Competition celebrating the diversified culture of India. It was an Inter-College Competition. The participants were supposed to dress up in their traditional outfits, greet in their native language and share a few lines about the tradition they were representing. All of this had to be compiled into a 15-30 seconds reel. They could even use native songs for the background music. The creativity level was top notch and each and every one of the reels were pretty impressive. The winners received Certificate of Appreciation, cash prize and a shout-out on the official instagram Page of North-East Cell. Every culture is beautiful and uniquely connected.
- **Visharth:** on August 15, 2021 under the occasion of 75 years of independence, The North East Cell, Under Azaadi ka Amrit Mahotsav organised – Visharth - an Inter-College , creativity competition representing meaningful art through its uniqueness. A notice was circulated in this regard in order to notify and enlist the names of the participating students. Around 11 students participated in the competition.

There were two themes for the competition -

- DIY with Waste/Nature
- Painting on the Nature

Certificates of Appreciation were provided to every participant along with a shout-out on our instagram. The winners were awarded e-certificates along with a cash prize. Art is important to process our human experience and we appreciate the participants for their different perspectives and conversations that their art contributes. While we are technically always living through history, art in 2021 was a way for us to document, understand, and relate to each other in 2021, we are thankful for creating and sharing their art.

- **Movie Screening:** Movies can often give you life lessons. It adds to known facts while highlighting the unknown. To learn about love, life, dedication and passion, we watched the movie "Manjhi- the Mountain Man" which portrayed how difficult a mountain man's life is. This event was organized on October 24, 2021. We had 100+ registrations for this event.

- **Languages from North-East:** “We often leave a trail behind, our origins are our representation”. We are members working towards bringing the cultures and traditions of North-East India into limelight. We had organized a one month language session in which Manipuri language was taught. It started on January 14, 2022. We learnt a new language together.
- **Prashnotthar-Relay Competition:** The North-East Cell of Shaheed Rajguru College of Applied Sciences For Women, University of Delhi organized a quiz competition, titled as “Prshnotthar-Relay - A Chain of Quizzes!” on February 2, 2022 at 05:00 pm. The theme of the competition was chosen to be “Unsung Heroes of North-East India”, in an attempt to pay tribute to those whose contribution was buried deep under the racist layers, anonymously. It was conducted in an online mode and the platform opted was Google Meet along with its live streaming on YouTube. The event comprised of three rounds:
 - Round 1: Fastest Finger First;
 - Round 2: MCQs; and
 - Round 3: Treasure Hunt

The event was open for the students of all the colleges of the University. We received more than 200 registrations out of which more than 150 individuals participated in the competition.

- **Annual Cultural fest~Aikyam 2022:** The North-East Cell, Shaheed Rajguru College of Applied Sciences for Women organised its second Annual Fest Aikyam'22 from March 9, 2022 to March 10, 2022, under the umbrella of the Annual College Fest Karvaan'22.
- **Talkshow:** A Talk Show named North Eastern Star - Entrepreneur Edition was organized under the purview of the same. The Talk Show was conducted on March 9, 2022 via Google Meet. The guest speaker for the same was Mr. Kaushal Choudhary, Founder, Dwelly - a full stack property management startup in Guwahati, Assam. The event began with an introduction of the guest speaker. Mr. Choudhary then spoke about his journey as an entrepreneur, the hurdles he faced and what he thinks goes behind the making of a startup. Sir laid emphasis on the importance of self-belief, patience and good ideas when it comes to creating a company. Sir also talked about the types of startups which can exist, and how one should go about developing those. Later, Sir answered the queries of the audience members.

- **Chitra Varnan:** A picture prompt competition was organized on March 9, 2022. The theme of the competition was "Heritage of India" and participants were given 2 minutes to research and describe it. They were tested for their vocabulary, fluency and knowledge on that topic.
- **Taped Nritya:** A dance video competition was organized on March 9, 2022. The theme of the competition was "Traditional dances of India" and students had to send their pre-recorded videos in traditional attire. Participants had sent in their enthusiastic dance videos in their beautiful costumes.
- **Yaadon ki Booklet:** A photography portfolio competition was organized on March 9, 2022. There were 3 themes of the competition namely Nature, Nostalgia- then vs now and Hometown pride and the participants had to present their views on 5-15 photos of their portfolio. We learnt a lot about sufferings, different perspectives about life and how artistically God has created Earth.
- **Enchanted - the Musical Night:** An online musical night - Enchanted was organized under the purview of the same. The event was held on March 9, 2022 via Google Meet. The guest for the event was Mr. Eric George. Sir sang quite a few soulful songs. Language was no barrier as multilingual songs were sung. Later, the students requested their own tracks, and sir was kind enough to oblige. The guest singer for the second half was Mr. Takar Nabam. Sir shared a pre-recorded video of songs in his native language. The students really enjoyed.
- We had also put up a photo booth featuring the North-East India on March 10, 2022 in the college fest.
- **Achievements:** We successfully launched the very first edition of our First ever Annual Magazine "Uddepta" on Annual day i.e., on August 24, 2021.

Pravridhi – Eco Club

Faculty Convenor: Dr. Rekha Mehrotra

Faculty Co-convenor: Dr. Prachi Singh

Faculty Members: Dr. Neha Katyal, Dr. Richa Sharma, Dr. Smita Sundaram, Dr. Manoj Jaiswal and Mr. Rituraj Anand

About: Eco-Club, Pravridhi, SRCASW came up with an Eco club in 2005. It was started by a group of teachers and students who were experts and were deeply sensitized towards addressing

environmental issues. It was raised in collaboration with MoEF as a part of the National Green Corps initiative of the government of India in the year 2001. The Eco-club was given the name Pravridhi, meaning ‘encouragement and intensification of the actions to creating sustainable environment’. Pravridhi aims to create and incorporate the concepts of environmental awareness and sustainable development through various activities in and around the college. It ensures to engage students, teachers, and the general public, through the spectrum of activities, workshops and interactive sessions.

Awards/Activities/Achievements

Pravridhi ensured a flow of awareness and participation through various activities even in times of the pandemic. The following activities were conducted in the year 2021-2022.

- **Tree Plantation Drive(s):** increasing the green cover and greenery is one of the prior objectives of the PRAVRIDHI. This year an online sapling plantation drive, (January 2022),

and a program 'selfie with a plant' (2021), mobilized the students, teachers, non-teaching staff, parents, friends, neighbours, and relatives at large in planting saplings in their homes.

- **Plant of the Week Campaign:** in the direction to spread awareness about the herbs and medicinal plants available around us, a year-long drive 'Plant of The Week' displayed a spectrum of 50 such plants. Each week a pamphlet with the medicinal plants in the picture showcased their properties, values in the household and other applications.
- **Talks, Interactions and Discussions:** Like every year, this year also Pravridhi offered a platform for talks, interactions, discussions by noted environmentalists, and socialists on occasions like eco-fest, world environment day, wildlife conservation day, biodiversity day etc. This includes Sahar Mansoor and Tim de Ridder (writers, Bare necessities; a company manufacturing and marketing sustainable daily use articles), Arun Krishnamurthy (wetland and lake conservationist) in 2021, and AR Shivakumar (Rainwater Harvesting: Each one can harness Rainwater) on February 23rd, 2022.
- **Animal of the Month campaign:** It was initiated to build awareness and sensitize people on the importance of wildlife in maintaining the ecological balance of our planet. A year-long campaign showcased 12 animals that were once common to our knowledge are now facing the danger of getting extinct forever.
- **Survey-based Awareness Program:** Conducting surveys to know more about the impacts of environmental degradation and spreading awareness is an integral part of the Pravridhi. A survey on the impacts of radiation from the internet was aimed at finding out the degree of awareness in public on the same. The findings showed that students were most aware. Switching off the wifi router when not to be used for long, using aeroplane mode and keeping phones away while sleeping were key points in spreading awareness.
- **Environmental Days and Festivals:** Environmental Days were celebrated in awareness, organizing competitions, talks and spreading information through flyers/posters and pamphlets. Most of these events happened online due to the pandemic. People were informed about the significance of days like earth day, soil day, migratory bird day, mountain day, zero-emission day, a world river day, wildlife day, vegan day, flower day, water day. Moreover, it also included celebrating festivals in a green-clean and sustainable way by organizing campaigns on the new year, Diwali, Ganesh Utsav etc.

- **Awareness campaign on celebrating Ganesh Utsav and idol immersing in an environmentally sustainable way:** Pravridhi organized a massive online drive on September 8, 2021 in disseminating information and building awareness on preventing idol immersion in water. The campaign also observed the participation in making eco-friendly idols by using earthen materials like Fuller's clay, leaves, flowers, old newspapers, and pebbles.
- **Offering Gratitude:** Pravridhi came out with an awareness series on the workers who work behind the screen in keeping the environment clean, green and hygienic. The series was named *offering Gratitude* to the gardeners, sanitation workers and community helpers.
- **Orientation and induction:** Pravridhi organized an orientation program on eco-club in December. The orientation program introduced its objectives and activities to the new batch and freshers to motivate those who envisage making a difference to save the environment and wish to address climate change.
- **Competitions:** Several competitions were organized on different environmental issues. The competitions showed the participation from different colleges, and schools vegetable. Some of these competitions are as follows: Vegetable art (September 28, 2021), Video making (topic: from land to sky; October 2021), Best out of waste (November 2021), Photography (December 2021).
- **Debate competition** is what Pravridhi is especially recognized for. The competition promotes participation from different colleges, harbours discussions and incentivizes the winners with good prizes. The competition is a two-round process, that invites judging from people experts in the field. This year the competition happened in Round 1, January 22, 2022 and Round 2, February 26, 2022. The second and the final round had 10 teams that made it through the first round with 25 teams. The topics were 'Plastics have become an integral part of our lifestyles' and 'Banning religious activities is necessary to stop environmental degradation.
- **Group discussion on sustainable practices to replace using plastics:** Group Discussion forms a routine habit and an integral part of the Pravridhi's path to ensure a deeper impact of awareness by bolstering the thinking-reflection-learning cycle. Thus, it serves as a conduit to innovative and creative ideas on sustainable environmental practices, flowing from young minds. In several such discussions, the one that happened on January 29, 2022, is exemplary.

The topic of the discussion was taken on replacing plastics from the cutlery, especially the ones we receive in food delivery or takeaway foods. The discussion came with insightful ideas on replacing them. For instance, saying no to the cutlery in case the food has to be delivered home, preferring eco-friendly cutlery, having their cutlery. As a takeaway home learning, all the members promised on replacing one unsustainable practice with a sustainable and environmentally friendly one.

- **Awareness campaigns on sustainable practices:** Pravridhi vehemently fosters environmentally sustainable practices in daily habits. It keeps organizing awareness drives on several sustainable practices. This year also, awareness campaigns were organized for the same. Some of these are as follows: Awareness drive on Eco menstruation, eco cosmetics, ecotherapy, nature as a healer etc. The drives consisted of pamphlets with recipes on practical applications in our daily lives.
- **Stall display for the NAAC display:** in November 2021, Pravridhi put up a stall and displayed itself to the public on the occasion of the NAAC visit. It showcased various activities, and achievements earned by the eco-club. The stall showed an overwhelming response in terms of extending its connections, collaborations and in accepting the will of the students and teachers to become its part.
- **Eco-fest, Vasudha'22**
 1. **A tradition that reminds us to commit to saving the environment:** Eco-fest is an annual event known as 'Vasudha' that celebrates the concept of saving the environment and addressing climate change in fun and joy. The month-long event demonstrates its message and commitment to saving the environment. It boldly proclaims its actions towards the same through various activities, talks, and competitions. This year the fest was celebrated as 'Vasudha'22' from February 1, 2022 to February 27, 2022.
 2. **Competitions:** There were activities and competitions such as Sustainable Fashion, Article Writing, Doodle Making, Eco Humour - Comic strip competition, Presentation Competition, Quiz Competition, Eco Heist, The Treasure Hunt and the second round of the Debate Competition.
 3. **A Talk:** Mr. AR Shivakumar graced the celebration by lecturing and talking on rainwater harvesting and generated a belief and confidence that each one can build and own a rainwater harvesting unit.

4. **Valedictory and felicitation:** The celebration was concluded in a Valedictory program which was presided by the principal, Prof. (Dr.) Payal Mago, the convenor, Dr. Rekha Mehrotra and other members. The name of the winners was announced and a session was closed on a positive note that youths are the beacon and the harbinger to bring change in reversing climate change.
- **Sharing the platform with other student societies:** Pravridhi, represented itself in an annual program of the college, the Karvaan, by organizing competitions and occasionally collaborating with NSS, UBA on conducting campaigns and drives on various environmental issues.
 - This year Pravridhi went a step ahead in reaching and making an impact through its activities in public, students, teachers at large. It did draw the attention of the ministry of education. On January 31, 2022, a visit was conducted by the officials from the Mahatma Gandhi National Council of Rural Education (MGNCRE), Ministry of Education, Government of India. The team included representatives from MGNCRE, Mr. Samartha Sharma and Mr. Ajay. The objective of the visit was to assess an institution under the Swachhta Action Plan project on five parameters. These were: 1) Sanitation and hygiene, 2) Water management, 3) Energy management, 4) Solid waste management, and 5) green cover. The inspection happened in the presence of the Principal, Prof. (Dr.) Payal Mago, Convenor, Dr. Rekha Mehrotra, Co-convenor, Dr. Prachi Singh, Eco-club committee members Dr. Richa Sharma, Dr. Smita Sundaram, teachers, Ms. Akanksha, Electronics Department, and from the administration, Mr. Saket and Dr. Projes Roy.
 - The college was recognized for carrying out the '*largest plantation drive*' in higher educational institutes across the northern zone.
 - The college was also recognized for its holistic approach toward spreading awareness, influencing and sensitizing various stakeholders on cleanliness, resource management, energy-efficient practices, and promoting environmentally sustainable practices. It was awarded the Green District Champion certificate in the east district of Delhi.

The topic was to either write an article on Emergence of Fintech Companies or How Venture Capital Shapes a Start-up's future. We were glad to see the participation of 20+ colleges with more than 100+ registrations on D2C from prestigious colleges like IIMs and IITs.
 - **Equity Research Live Project (August 2021- October 2021):** Raqam provided an opportunity for a Live Project on Equity Research with Niveshaay, a SEBI registered boutique investment Advisory firm. The students compiled an extensive report and did an in-depth industry Research analysis on the Textile Sector which provided them the applicability of various valuation techniques in a real-life practical scenario to analyze the financial information using various sources like annual reports of the company, industry reports etc.

- **Group Discussion (Cryptocurrency: A bright future or a fad?) (September 19, 2021):** Raqam organized an intra society group discussion on the topic " Cryptocurrency - A bright future or just a fad". All the members of the society took part in the discussion putting forward their point of views and choosing their sides on the topic. Overall the discussion was very fruitful as it increased our knowledge on the topic and overall increased the communication skills.
- **Group Discussion (Is India ready for a cashless economy?) (October 10, 2021):** Raqam organized an intra society group discussion on the topic " Is India ready for a cashless economy?" It saw active participation of all members, putting forward their points from both the sides. Overall the conclusion came that India has come a long way towards the cashless economy but still some steps are left to be completely considered a cashless economy.
- **Mutual Funds Distributors' Certificate by NISM (December 8, 2021):** Raqam introduced an opportunity where the students were able to enhance their basic knowledge of stock market and Mutual Funds through this course and we are elated to announce that 8 of our members were able to clear the exam and received a certificate from National institute of Securities Market (NISM) under SEBI.
- **Webinar- Personal Finance and Stock Markets with GROWW (October 10th, 2021)** Raqam organized an insightful session on Stock Markets and Personal Finance with Groww- an online investment platform. The session was taken up by Mr. Harsh Goela, an enthusiastic stock market investor and a mentor for young age investors.
- **IMS Profile Building Session (February 22, 2022):** The session took place in collaboration with IMS, by Mr. Abhishek who has more than 10 years of rich experience in the education domain. The key takeaways of the session were- Reasons for Building a Stellar Profile, Profile Building Activities for MBA, 4 Mantras for Profile Building, A very insightful Q&A Session.
- **CANVA Tech for Good Design Bootcamp (February 28-29, 2022):** in collaboration with Tech for Good and Canva, we organized a 2 day long online Design Bootcamp that taught Basics of Canva and Graphic Design Concepts, thus, developing students into future professional designers. The key takeaways were to learn the basics of Canva & Graphic Design, by being a part of an engaging community via interactive video sessions and forums.

- **Revenire'22: The Annual Finance Fest of Raqam (February 10-15, 2022):** Raqam successfully organized its annual finance fest Revenire'22. Having 4 power-packed competitions and a creative event, we experienced a footfall of 3000+ from reputed colleges all over India, and a very esteemed and experienced panel of judges from the field of Finance and Management to guide our participants. We also collaborated with Meteorite Band for our closing ceremony, to present a soulful band performance for our enthusiastic audience. The events are as follows:
 1. **Comercio-The Ultimate Stock Pitch Competition:** The event revolved around pitching a company, backed by a strong investment thesis, data, valuation metrics, and an assessment of the risk factors involved.
 2. **Shark Tank 2.0-** Pitch it, to win it: The teams presented their startup ideas in front of the judges, in the same way as on the reality show- Shark Tank India. The aim of this competition was to evolve an entrepreneurial and business mind.
 3. **Collab & Quisition-** Match the Unmatched!: Consisting of a quiz based on Finatomy- our monthly E-magazine, this event gave a chance to the participants to hone their collaborating power and analyze the pros and cons of each collaboration they do.
 4. **Finfluencers-**The Financial influencers: The competition gave participants a chance to unleash their inner finance enthusiasts and express their creativity in the form of instagram reels.
 5. **Clash of Finance-** Rule out the odds: The competition included a crypto-based quiz and case study round, excelled solely by using one's analytical and problem-solving skills, wherein the teams justified the reasons for their respective financial decisions.
- **Live Project on Strategy and Market Research with Cornitos India** (February 2022 - March 2022) - It was a huge opportunity for RAQAM to be associated with a reputed brand like Cornitos India for the launch of their new product 'Crusties'. RAQAM assisted the company to evaluate its marketing budget and also prepared the entire Cost Allocation sheet with all the expenses and returns on their estimated sales. The team members got the chance to enhance their creativity while designing an entire ad campaign along with the hashtags and a new tagline and implementing strategies for the growth of their new product.

Robotika - Robotics Club

Faculty Convenor: Dr. Yogesh Pratap

Faculty Co-Convenor: Dr. Monika Tyagi

Faculty Members: Dr. Rajan Goyal, Dr. Pooja Sharma, Mr. Sumit, Ms. Reshma Sinha and Dr. Sarul

About: Robotika- Robotics Club is a technology based club of college. It was started to make students aware of robot technology and its application. It started with faculty members participating in a Teacher’s Robotics Competition held at IIT Bombay under E-Yantra, an MHRD initiative. Since then every year students participate in E-Yantra competition. When it was formed in our college then students showed their excitement to join this club as its name is enough to create excitement in students who are interested in coding, instruments and technology. Today, we are very elated to have 30 members in our club and they all have joined this club through a screening session held by the council of this club.

Unnat Bharat Abhiyan 2.0

Faculty Convenor: Dr. Lakshmi Pasricha Sarin

Faculty Co-Convenor: Dr. Mohita Bhagat

Faculty Members: Dr. Alok Singh, Dr. Tarun Kumar, Dr. Dimpay Handa, Dr. Deepa, Dr. Smita Sundaram, Mr. Piyush B. Chaudhary, Dr. Ganesh Gurjar, Mr. Rajdeep Singh, Dr. Prachi Singh, Dr. Ranjana Singh, Dr. Komal Chandiramani and Dr. Kishan Das

About: Unnat Bharat Abhiyan or UBA was inaugurated with the initiative of a group of dedicated faculty members of IIT Delhi working consistently in the area of rural development and technology. UBA is a flagship program of the Ministry of Education (MoE).

UBA, SRCASW initiated various projects over the years, which include: Battle against hunger, say no to single use of plastics, distribution of essential commodities and uplifting the LGBTQI community by providing them a platform to showcase their mettle. We have adopted 5 villages near our college premises namely, Dallupura, Kondli, Chilla, Morna, and Harola. We made visits to sensitize people about single use of plastic and carried out hunger drives during the times of adversity due to the global pandemic.

We aim to improve the healthcare sector, focusing primarily on cancer in urban villages.

Philyra – The Music Society

Faculty Convenor: Ms. Saumya Chaturvedi

Faculty Co-Convenor: Ms. Tina Sachdeva

About: Philyra is one of the earliest, foremost and most active student societies formed in the college. According to our Indian Culture and tradition music is most important and uplifting for the soul. It has a very important place in any celebration, festivities or occasions. Thus , any college event is incomplete without an invocation by team Philyra. Philyra had a rollercoaster ride shifting from online mode to offline mode this year! The faces we had only seen through a screen, the voices we only recorded through microphones finally came out and blended into a beautiful harmony. It was a very different and exhilarating experience to have practice sessions with all the members of the society in the physical mode and perform at various occasions in the

college. With much excitement and enthusiasm to explore the world between notes, we conducted various events throughout the year 2021-22:

Science Setu in collaboration with Translational Health Science and Technology Institute (THSTI)

Faculty Convenor: Dr. Manisha Khatri

About:In April 2017, Shaheed Rajguru College of Applied Sciences for Women collaborated with Translational Health Science and Technology Institute (THSTI), an Institute of the Department of Biotechnology, Government of India, under prestigious SRCASW-THSTI Science Setu Program for three years. In August 2020 the collaboration extended for another three years. This is an initiative to contribute to the national goal of encouraging more and more bright young minds to take up the pursuit of science and technology as a career option.

In the fifth year of the collaboration, following activities were organized to address the changing needs of teaching, learning and research in biological sciences.

Activities

- A webinar on "Development, evaluation and reporting strategies of AI algorithms in maternal and child health" was organized from November 22-24, 2021.
- On February 28, 2022, National Science Day was celebrated with the theme "Integrated Approach in S&T for Sustainable Future". A Quiz competition was organized for all the colleges that are a part of science setu collaboration with THSTI. The winners were awarded and participation certificates given to all the participants.

Shuffleshots – The Photography Society (Capturing Life, Creating Art)

Faculty Convenor: Mr. Rituraj Anand

Faculty Co-Convenor: Dr. Tarun Kumar

Faculty Members: Mr. Piyush Chaudhary and Dr. Rajan Goyal

About: Shuffleshots, the Photography Society of Shaheed Rajguru College of Applied Sciences for Women was established in the year 2014. With the vision of “Capturing life, creating arts”. The Society have been continuously working, growing, evolving and achieving. While photography is constricted as something to be done in an open field, it has redefined itself in this time of uncertainty and chaos and gave us a completely different perspective. Photography can be concluded as universal language everyone can feel and interpret in their own way. With this came our weekly project of the session, where a theme based project was assigned to unfold the creativity contained by individuals.

Photographs captures the moment we try to seize and lets us enjoy them afterwards. Even in this difficult time of crisis the members have actively participated in different competitions organized by various colleges and organizations where they successfully secured their position and we can't be more elated and illustrious for their achievements. The society itself has organized many competitions and collaborations to make it a productive year. We are very happy to have the senior and other members for all the have done and I hope we keep growing and reach higher goals.

Spic Macay

Faculty Convenor: Dr. Sneha Kabra

Faculty Co-Convenor: Ms. Himani Dua Sehgal

Faculty Members: Dr. Amita Sethi, Dr. Pooja, Dr. Prachi, Ms. Seema and Ms. Vandana

About: Spic Macay, The Society for the Promotion of Indian Classical Music and Culture Amongst Youth is a voluntary youth movement which promotes intangible aspects of Indian cultural heritage by promoting Indian classical music, classical dance, folk music, yoga, meditation, crafts and other aspects of Indian culture; it is a movement with chapters in over 300 towns all over the world. Spic Macay was established by Dr. Kiran Seth in 1977 at IIT Delhi.

Spic Macay's intention is to enrich the quality of formal education by increasing awareness about different aspects of Indian heritage and inspiring the young mind to imbibe the values embedded in it. It seeks to inspire youth through experiencing the mysticism embodied in the rich and heterogeneous cultural tapestry of Indian and World Heritage, with a hope that the beauty, grace, values, and wisdom embodied in these arts will influence their way of life and thinking and inspire one to become a better human being. For this, the most accomplished artists of the country render programs of Indian classical music and dance, folk, poetry, theatre, traditional paintings, crafts & yoga.
