

35th वार्षिक प्रतिवेदन ANNUAL REPORT 2025-26

Shaheed Rajguru College of Applied Sciences for Women
(University of Delhi)

Shivram Hari Rajguru

(24 August 1908 — 23 March 1931)

Shivram Hari Rajguru was born in an average middle-class Hindu Brahmin family at Khed in Pune district in 1906. He came to Varanasi at a very early age where he learnt sanskrit and read the hindu religious scriptures. At Varanasi, he came in contact with revolutionaries. He joined the movement and became an active member of the Hindustan Socialist Republican Army (H.S.R.A). Rajguru had fearless spirit and indomitable courage. The only object of his adoration and worship was his motherland for whose liberation he considered no sacrifice too great. He was a close associate of Chandra Shekhar Azad, Sardar Bhagat Singh and Jatin Das. His field of activity was U.P. and Punjab, with Kanpur, Agra and Lahore as his headquarters. Rajguru was a good shooter and was regarded as the gunman of the party. He took part in various activities of the revolutionary movement, the most important being the murder of British police officer, J. P. Saunders at Lahore in 1928.

Sardar Bhagat Singh, Rajguru and Sukhdev were tried for Saunders' murder. They were convicted and sentenced to death. Rajguru along with his two comrades was hanged in the Lahore jail on the evening of 23rd March, 1931. At the time of his martyrdom, Rajguru was hardly 23 years of age.

The College

Shaheed Rajguru College of Applied Sciences for Women stands as a beacon of comprehensive education, fostering not just academic excellence but also character development. Within its vibrant and welcoming community of students, faculty, and staff, the college offers a diverse range of fourteen programs, empowering individuals to explore their interests and talents while nurturing a holistic personality primed for their chosen career paths. Through its undergraduate programs, including B.Sc. (H) in Biochemistry, Biomedical Science, Chemistry, Computer Science, Electronics, Food Technology, Instrumentation, Mathematics, Microbiology, Physics, Statistics, Bachelor of Management Studies, Bachelor of Business Administration (Financial Investment Analysis), and B.A. (H) Psychology, the college provides an enriching environment conducive to unleashing the potential of its students. Distinguished by its state-of-the-art laboratories and a reputation as a leading scientific institute in India, the college fosters a culture of competitiveness and intellectual fulfilment. It endeavours to equip students with comprehensive skills across various fields, encouraging creativity and critical thinking while instilling a scientific mindset essential for navigating real-world challenges. Embracing modern teaching methodologies and leveraging cutting-edge technology, the college boasts a sprawling campus spanning 9.5 acres of lush greenery. With Wi-Fi-enabled facilities, smart classrooms equipped with projection capabilities and interactive monitors, and amenities such as an open-air amphitheatre, indoor auditorium, RFID-enabled library, conference room, and hostel accommodation for 120 students, the college ensures an enriching and conducive learning environment.

Driven by a commitment to excellence, the college empowers students to think logically, foster curiosity, and apply their knowledge to real-life scenarios, cultivating sound judgment and decisionmaking skills. Its investment in resources reflects a dedication to providing the best educational experience, resulting in a notable alumni network making impactful contributions across diverse industries, both nationally and internationally.

College Vision and Mission

Vision

To emerge as one of the world's leading institutes through continuous highest academic standards by forging strong industry-academia bond and playing a pioneering role in research & development, so as to serve society by way of shaping professionals to conquer the present and future challenges to the socio-economic fabric of our society by dissemination of relevant knowledge through structured learning system. The college aims to change lives, build the future, impart technical expertise and improve industrial links through high quality applied learning.

Mission

To build and nurture a new generation of professionals by providing them education with a holistic perspective. To imbibe strong ethical values so that they can work as positive change agents in the new millennium. It will be our endeavour to assimilate and disseminate practical strategies to future professionals and to encourage their understanding of strategic perception to fulfil the mission of the organisation in the fast-changing global environment.

Chairperson's Message

The true strength of any institution lies in the dedication and commitment of its people. At Shaheed Rajguru College of Applied Sciences for Women (SRCASW), our devoted team has shaped the College from its modest beginnings in 1989 into a leading institution, embodying the same spirit and determination as its namesake, Shaheed Shivaram Hari Rajguru, a symbol of courage and patriotism.

As we align ourselves with the Amrit Kaal Vision 2047 – a transformative vision for a progressive and inclusive India – SRCASW remains committed to empowering women through education. This vision motivates us to develop leaders who are not only academically proficient but also compassionate and socially responsible, contributing meaningfully to a sustainable and equitable future.

The implementation of the National Education Policy (NEP) 2020 has brought renewed energy to our academic approach, and I commend all stakeholders for their dedicated efforts in fostering a dynamic and progressive learning environment. The College has focused towards instilling a lifelong passion for learning in every student, combining academic excellence with strong human values and preparing our students to succeed as global leaders while remaining empathetic individuals.

We have worked towards introducing innovative teaching practices that promote experiential learning and unlock each student's potential. We aim to upgrade our infrastructure and strengthen collaborations with industry and academic institutions to build a comprehensive educational ecosystem.

Beyond academics, SRCASW provides a vibrant platform of extracurricular and co-curricular activities through various student societies and clubs, encouraging peer learning, social interaction, and creative expression. Our outreach initiatives continue to strengthen our connection with the community, reinforcing our commitment to inclusivity and social impact. All this is evident as we go through the contents of the 35th Annual Report of the College.

I extend my best wishes to the entire Rajguru community for constant growth and success.

Best wishes,

Professor K. N. Saraswathy

Chairperson, Governing Body,

Shaheed Rajguru College of Applied Sciences for Women, University of Delhi

From Principal's Desk

It gives me great pleasure to present the 35th Annual Report of Shaheed Rajguru College of Applied Sciences for Women, University of Delhi. The academic year 2025–26 has been a period of notable accomplishments, diverse initiatives, and meaningful engagements, reflecting our steadfast dedication to academic excellence and social responsibility. During this time, our students and faculty have shown commendable progress in research and innovation. I am proud to share that our college has achieved an ‘A+’ accreditation from the National Assessment and Accreditation Council (NAAC) and secured the 65th rank in the National Institutional Ranking Framework (NIRF) under the College category. We continue to pursue excellence in education and research while nurturing an inclusive and well-rounded learning environment.

We have actively embraced the National Education Policy 2020 (NEP) along with the Undergraduate Curriculum Framework (UGCF-2022). The first batch of students under UGCF has now progressed to the fourth year and will graduate with a Bachelor of Honours with Research/Academic Projects/Entrepreneurship. These reforms aim to deliver a multidisciplinary and flexible education, equipping students with vital skills such as research aptitude, critical thinking, problem-solving, and communication.

Over the past year, we have made significant advancements in enhancing both academic quality and research output. Our faculty members have been deeply involved in innovative research, publishing in reputed journals, and presenting their work at national and international forums. They have also contributed actively to community outreach initiatives, extending their expertise to local communities and underserved groups.

Our students have excelled in a wide range of extracurricular activities, fostering a dynamic and cohesive campus environment. I extend my heartfelt appreciation to the governing body, faculty, and non-teaching staff for their unwavering support in strengthening our institution's standing in education.

This Annual Report highlights the wide spectrum of activities, achievements, and recognitions of the college, reflecting the dedication and hard work of our students and faculty. We look forward to the opportunities ahead and remain committed to creating a positive societal impact.

College Activities

Establishment of IEEE Student Branch

SRCASW is the first undergraduate college in Delhi University's network of all colleges to establish an IEEE Student Branch on 31st October 2025. The student branch was inaugurated on 24th March 2026. The inaugural ceremony was marked by the presence of honorable Chief guest- Prof. M N Hoda, Chairperson IEEE Delhi Section & Director, Bhartiya Vidyapeeth Institute of Computer Applications and Management, Guests of Honour- Sr. Prof. Mridula Gupta, Department of Electronic Science, UDSC; Past Chair, IEEE EDS Delhi Chapter, and Prof. Manoj Kumar

Khanna, Head, Department of Electronic Science, UDSC. The branch currently has about 26 student members and plans to conduct impactful technical and humanitarian activities for the benefit of society.

Fresher's Day and Oath-taking Ceremony

On 18th September, 2025, the Student Council organized a vibrant Freshers Day to welcome the new students to the campus. The well-coordinated program offered an enjoyable platform for newcomers to build connections and begin their journey as college students. The event started with the oath taking ceremony for which the newly elected student body were given badges by the principal and took an oath to fulfil their duties sincerely.

Technical Fest'25

The Annual Tech Fest'2025 was held on 15th and 16th October 2025, highlighting academic innovation and interdepartmental collaboration. Led by the Student Council, all 14 departments coordinated event planning and venue management. The fest opened with a lively flash mob and saw enthusiastic participation from both college and students from other institutions.

Each department hosted unique and engaging events under the following banners:

TRAP – Physics, Chemistry, Mathematics, and Statistics

TREZIRE – Psychology

MICROBLAZE – Microbiology

TECHNEXUS – Instrumentation

IIDAIRA – Management and Financial Studies

FOOD FELICITY – Food Technology

ELIXIR – Biochemistry

ELECTROMANIA – Electronics

TECH MELANGE – Computer Science

PLEXUS – Biomedical Science

Ujjawal'25

The Diwali Mela – Ujjawal'25 was held on 17th October 2025 with the aim to celebrate the festive spirit of Diwali through cultural performances and collective participation. Highlights of the program were departmental dance performances, a fashion showcase presented by GlamFire, the fashion society; performances by Philyra, the Western Music Society and Mukhauta, the dramatics society. A live musical act was delivered by artist Rijul. The celebrations concluded with a Garba–Dandiya session, which was thoroughly enjoyed by the students.

Saraswati Puja and Republic Day Celebrations

On 23rd January 2026, the institution celebrated a vibrant confluence of Saraswati Puja and Republic Day with great enthusiasm and reverence. The event commenced with the NCC parade, followed by the National Anthem. The program featured flag hoisting ceremony by the Principal, followed by captivating performances by the Indian Music Society and the Dramatics Society. Saraswati Puja was conducted with devotion and concluded with the distribution of prasad.

Karvaan'26

The College successfully organized its annual cultural fest KARVAAN on 18th and 19th March 2026, with great fervor. With more than 6000 enthusiastic attendees from across Delhi-NCR institutions, the two-day celebration created a vibrant atmosphere, making it a memorable experience. A variety of competitions and activities were organized on both days, reflecting the diverse talents of the students.

Day 1: 18th March 2026

The day commenced with an opening ceremony that included a traditional lamp-lighting ritual led by the Principal, along with faculty members and the Cultural Committee. Various competitions and activities were organized by the societies. The evening's highlight was an enchanting Bhajan Clubbing performance by *Sadho Band*, whose soulful renditions seamlessly fused devotional music with modern elements, deeply engaging the audience.

Day 2: 19th March 2026

Various societies organized their competitions during the first half of the day. This was followed by mesmerizing musical performance by Shivam Chowhan that captivated the audience, creating a vibrant and lively atmosphere. The festival concluded with a felicitation ceremony.

Centre for Multidisciplinary Research, Innovation & Entrepreneurship (CMRIE)

Centre for Multidisciplinary Research, Innovation & Entrepreneurship was established in the college to inculcate, enrich and nurture innovative, research, entrepreneurial environment as well as start-up culture in the college. It aspires to do so by creating an accessible and exhaustive set of resources for the young entrepreneurs (students), faculty, alumni and mentors. The mission is to encourage entrepreneurial endeavors by providing pre-incubation setup and transforming the same into a successful enterprise. The Centre aims to encourage women to start their own research or business enterprise focusing on social entrepreneurship.

Under the umbrella of CMRIE, following innovation, research and extension activities were conducted in 2025-26.

a) Activities conducted by Entrepreneurship Development Cell

- On 10th July 2025, a session on ‘Innovation and Startup Ecosystem Enablers’ was conducted by Rushad Shah. The session provided students with a comprehensive understanding of startup ecosystems, funding opportunities, incubation support, and government initiatives. It inspired students to explore entrepreneurship as a viable career path.

- On 12th February 2026, Mr. Ayush Jha conducted a session on the art of AI training, introducing students to emerging trends in artificial intelligence.
- On 19th February 2026, Vision IAS Prati Spardha 2026, an inter-college knowledge competition, was organized, encouraging academic excellence and participation.
- On 24th February 2026, a resume-building session by T.I.M.E (Shrinwanti Shee) helped students improve their professional profiles and employability skills.
- From 15th to 18th March 2026, The Big Hook competition was conducted during Udaan Fest, providing a platform for creativity, innovation, and teamwork.
- From 27th to 29th March 2026, Internship Fair 2026 was organized, connecting students with industry opportunities and enhancing career prospects.

b) Activities conducted by Enactus

The following activities were undertaken during the session:

- **Visit to Shree Ji Gau Sadan** – We returned to Shree Ji Gau Sadan this year with an expanded product range, introducing handcrafted incense sticks and dhoop cones alongside our existing cow dung diyas. The new additions were particularly well-received during the Diwali season.
- **Skill Development Program (SDP)** – Inauguration of SDP 2025-26 was held in presence of Ms. Amrita, founding member and the Secretary of IRGT – A Global Network of Trans Women and HIV Sarkar, Ms. Simran, and Ms. Pranav Boxer Grover, a trans activist, social media influencer, and Karamveer Chakra Awardee. The program covered resin art, baking, make-up, dance, and financial literacy, offering a diverse curriculum aimed at building both creative and economic independence.
- **Field Visits to NGOs and Slum Communities** – Multiple field visits were conducted to NGOs and slum communities across the city, including Than Singh Ki Patshala, Tweet Foundation, Basera, Pahal and several underserved localities. Volunteers engaged with residents through interactive sessions and connected them to real needs on the ground.
- **Collaboration with Art and Dreams** – Art and Dreams is an initiative that holds exhibitions and sells artwork created by children with intellectual disabilities. Our team

provided content creation, PR, marketing, and social media support, along with volunteers during exhibitions. Seeing the young artists receive recognition and appreciation for their work made this one of the most meaningful collaborations of the year.

- **Gender Sensitization Workshop** –A gender sensitization workshop was organized to foster a more inclusive college environment. The session focused on helping students and faculty understand the experiences of the LGBTQIA+ community, breaking down common misconceptions, and encouraging respectful, affirming behavior towards them in everyday interactions.

Vicky Chaudhary, a 20-year-old beneficiary of Project Pehchaan, and proud member of the LGBTQIA+ community launched Crochshala, a crochet-based small business. With the support and mentorship of our team, he has turned this enterprise into a source of livelihood.

c) Research Activities

Research has been one of the main focus areas of college activities. The college has latest infrastructure and provides the necessary mentorship to form a base for multidisciplinary research, pre-incubation and entrepreneurship programmes.

Extension Work

a) Skill Development through “Mushroom Cultivation” Training

A six-month Certificate Course and Faculty Development Program on Mushroom Cultivation was conducted from October 2025 to March 2026, in collaboration with Enactus. The program aimed to provide participants with comprehensive knowledge and hands-on training in mushroom cultivation, processing, marketing, and entrepreneurship. The course attracted thirty-five enthusiastic participants including students, faculty members, and individuals interested in Agri-entrepreneurship. The program focused on both theoretical understanding and practical training, enabling participants to develop skills in mushroom production, post-harvest management, and business development related to mushroom cultivation. This year, an additional component on spawn production was incorporated into the course to provide participants with advanced technical skills in mushroom cultivation. The program included lectures and practical sessions on cultivation of button mushroom, oyster mushrooms, king oyster mushrooms, marketing, entrepreneurship and field visit to NIFTEM. The training group produced 76.5 kg of mushrooms and generated over Rs. 1.54 lakhs in revenue.

b) Science Setu: Collaboration with Translational Health Science and Technology Institute (THSTI)

In April 2017, the college collaborated with the Translational Health Science and Technology Institute (THSTI), an Institute of the Department of Biotechnology, Government of India, under the prestigious SRCASW-THSTI Science Setu Program for three years. In August 2020, the collaboration was extended for three years and again in August 2023 for further three years. This is an initiative to contribute to the national goal of encouraging bright young minds to take up the pursuit of science and technology as a career option.

In the ninth year of the collaboration, following activities were organized to address the changing needs of teaching, learning and research in biological sciences.

1. Department of Biomedical Science organized a session on “Virology – exploring cutting edge advancements in virus surveillance, drug development and vaccine evaluation” on 4th

April 2025. Dr. Sankar Bhattacharya, Scientist E, BRIC THSTI, and Dr. Shailendra Mani, Senior Research Scientist, BRIC-THSTI were the speakers. The talks were followed by an interactive session and a quiz.

2. One day symposium on “Genome surveillance of human viral pathogens” was organized at THSTI on 13th June, 2025.
3. On 15th July, 2025, 16th foundation day of THSTI was celebrated at M.K. Bhan auditorium, THSTI. Students attended and participated in the quiz competition.
4. Dr. M. K. Bhan Memorial Oration was organized at THSTI on 17th November, 2025. Dr. Madhulika Kabra, Emeritus Scientist, ICMR delivered the oration on “The challenge of rare diseases in India: Journey so far and way forward”. This lecture was attended by our students.

- Attended a workshop on Forensic Science: Bridging Biochemistry & Investigation from July 23 to 25, 2025 organized by Sri Venkateswara College, University of Delhi.

Dr. V A Pratyusha

- Edited a book titled, Essential Laboratory Techniques and Biochemical Analysis published by Taylor and Francis, CRC Press (2025).
- Attended a workshop on Forensic Science: Bridging Biochemistry & Investigation from July 23rd – 25th, 2025 organized by Sri Venkateswara College, University of Delhi.

Students' Achievements

Ms. Chandrika Kumari

- Secured 1st position in 'Clash of voices" on 19th March, 2026 organised by NSS, SRCASW.
- Secured 2nd position in 'Open Mic'(Monologue Competition) organised by the Counselling Cell, Vivekananda College (DU).
- Secured 3rd position in 'Sustainable Fashion Show" on 17th February, 2026 organised by Pravridhi- the eco club of SRCASW.

- Cleared the Preliminary Round to reach Aarambh'25 Youth Parliament as a finalist, at Jamia Hamdard University.

Ms. Harshika Dhamija

- Secured 2nd position in Quintessence'26 on 18th March, 2026 organised by Inklings- The literary society of SRCASW.
- Secured 2nd Position in Scientific Quiz, Elixir'25 organised by the Department of Biochemistry under Tech Fest'25.

Ms. Nitya Gusai

- Secured 2nd position in eco mood board challenge in Vasudha'26 organised by Pravridhi- the Eco Club of SRCASW.

Ms. Kittu Kumari

- Secured 1st position in Eco Best out of Waste Quiz in Vasudha'26 organised by Pravridhi- The Eco Club of SRCASW.

Ms. Nagma Tomar

- Secured 2nd position in Scientific Quiz competition under Elixir'25 organised by the Dept. of Biochemistry.

Ms. Shifa Zaib

- Secured 2nd position in Scientific Quiz competition under Elixir'25 organised by the Dept. of Biochemistry.

Ms. Mehak Khan

- Secured 2nd position in Momentum'26 at Northcap University as a part of Aaharya Dance Society.

Ms. Balne Ruthvika Goud

- Secured 2nd position in Classical Dance Competition at PGDAV college (DU) as a part of Ahaarya- The Dance Society of SRCASW.

Ms. Jyoti Kumari

- Secured 1st position Tyre Race under Spardha'26, the annual sports fest of SRCASW.

Ms. Ankana Raha

- Performed DST during Republic Day Celebration at SRCASW.

Ms. Bonismita Chowdhury

- Joined NCC as an active cadet and consequently performed in the NCC Annual Fest

Ms. Saniya Chowdhury

- Secured 1st Position in Poster Making Competition organised by NSS.

Department of Biomedical Science

Departmental Activities

- Organised a seminar on ‘AI in Healthcare and its Challenges’ on 13th August, 2025. The speaker for the seminar was Mr. Alok Anand, Founder of Tech Med Buddy. The total number of student participation was 80.

- An annual technical fest “PLEXUS” was celebrated on 15th and 16th October 2025. The total number of student participation was 100. Following events were organised for the Fest:
- Seminar on ‘The growing role of computational biology and physics in biomedical research’ on 15th October, 2025. The speaker for the seminar was Dr. Arnab Bhattacharjee, Associate Professor at the School of Computational & Integrative Sciences, Jawaharlal Nehru University.
- A seminar on ‘Microbial Diversity and Function through Metagenomics’ was organized on 15th October, 2025. The speaker for the workshop was Dr. Rakesh Sharma, Chief Scientist and Professor at, CSIR – Institute of Genomics & Integrative Biology, New Delhi.
- A seminar on ‘The methods and technologies used in the field of metagenomics’ was organised on 16th October, 2025. The speaker for the seminar was Dr. S.S. Maitra - Professor, School of Biotechnology, JNU.
- Another seminar on ‘The importance of computational techniques in the field of biomedical sciences’ was organised on 16th October, 2025. The speaker for the seminar was Dr. Jyoti Bala, Biotech and Bioinformatics Scientist, Molelixire Informatics.
- Organised a seminar on ‘Advancements in Virus Surveillance, Drug Development and Vaccine Evaluation’ on 4th April 2025. The speakers for the seminar were Dr. Sankar Bhattacharyya and Dr. Shailendra Mani, both scientists at BRIC THSTI. The total number of student participation was 54.
- An online submission-based Poster Making competition was organized on 10th October, 2025 by the department for students all across colleges of Delhi University.

Faculty Achievements

Dr. Varsha Mehra

- Presented a poster titled ‘Phage-Driven Breakthroughs: Harnessing Ganga and Yamuna River Bacteriophages to Combat Multidrug-Resistant Pathogens and Revolutionize Urban Water Purification on 20-22 Nov 2025, organized by AIIMS Delhi
- Presented a poster titled ‘Comparative analysis of latency promoting genes in Mycobacterium smegmatis and Mycobacterium tuberculosis through PCR amplification and in silico analysis’

on 30th March 2026, organized by Department of Zoology, Hindu College, University of Delhi, Laboratory of Infection Biology and Translational Research (LIBTR), New Delhi and National Centre for Disease Control (NCDC).

Dr. Shruti Banswal

- Published paper titled “Therapeutic Properties of *Moringa oleifera* in Pulmonary Diseases” in IJSAT, 16(1), 1-4 (2025).
- Published paper titled “Black Turmeric (*Curcuma caesia*) in Traditional Indian Medicine” in IJSRR, 14(1), 25-37 (2025).
- Published paper titled “Isolation and Characterization of Salt-Tolerant Bacteria” in IJSRR
- Published paper titled “A Comprehensive Workflow for Genome-Wide Analysis: Tools, Techniques, and Applications” in JASC 12(7), 150-159 (2025).
- Mentored posters presented at National conference “Anveshan 2026” on 30th March 2026 organized by Zoology department of Hindu college in partnership with AIIMS and National Centre for Disease Control. The posters were titled “Investigating native Indian medicinal plant: Phytochemical profiling and antimicrobial assessment of *Acalypha indica*” and “Investigating traditional Indian medicinal plant: Phytochemical profiling and antimicrobial assessment of shankhpushpi (*Clitoria ternatea*).
- Published paper titled ‘The disappearing Y chromosome’ in JASC 12(8), 1-2 (2025).

Dr. Saquib Ansari

- Published a paper titled β Alanine Modulates the Activity and Stability of Peroxiredoxin 6: A Biochemical and Mechanistic Study in Biophysica, 6(1), 1-15, (2026), <https://doi.org/10.3390/biophysica6010011>.

Dr. Indu Arora

- Published a paper entitled “In Silico Identification and Evaluation of a Novel GDF15 Inhibitor for Coronary Artery Disease” in Discover Chemistry, 3, 144 (2026). <https://doi.org/10.1007/s44371-026-00618-4>

- Published a paper entitled “Role of GDF-15 and NRG-1 as Predictive Markers of Coronary Artery Disease” in Molecular Biology Report 52, 536 (2025). <https://doi.org/10.1007/s11033-025-10622-z>
- Published a paper entitled “Evaluation of Toxicological Implications Ascribed to Morphology and Size-Based Platinum Nanoparticles and Its Modulation by Naringin in Wistar Rats” in Biological Trace Element Research 203, 5611–5623 (2025). <https://doi.org/10.1007/s12011-025-04590-5>
- Delivered a lecture entitled “From lab to life: The Journey of a Drug Discovery” on 29th Nov 2025 in World Summit on Disaster Management 2025, held at Graphics Era University, Dehradun, Organized by Uttarakhand State Council for Science and Technology (UCOST 2025), on 28-30 Nov 2025. Dehradun.
- A Ph.D. degree was awarded by University of Delhi in Feb 2026 convocation to a research scholar under her supervision for the thesis entitled “To Study the Polymorphism, Differential Expression of Growth Differentiation Factor 15 in Coronary Artery Disease and Development of its Inhibitor Using in Silico Approach”

Dr. Manisha Khatri

- Authored a book entitled “Human Physiology: A Practical manual” published by Elite Publishing House, New Delhi (August, 2025) ISBN: 978-81-987081-2-0
- Published a paper titled “Varicella Zoster Virus: A re-emerging risk in immunocompromised populations and potential therapies” in Chemical Biology Letters 12(3), 1275 (2025) <https://doi.org/10.62110/sciencein.cbl.2025.v12.1275>

- Published a paper titled “Diabetes and Obesity as catalysts in MASH progression: Mechanisms and emerging therapies” in Letters in Applied Nano Bio Science, 15(1), 11 (2026) <https://doi.org/10.33263/LIANBS151.011>
- Presented a poster titled “Multitargeted Polypharmacology approach for exploring anti tubercular potential of *Justicia adhatoda*” in International TB Conference 2026 “Turning the Tide: New Frontiers in TB Therapeutics, Vaccines and Diagnostics” from 19th January to 21st January 2026 organized by University of Delhi, South Campus and AIIMS, New Delhi.
- Presented a poster titled “Computational investigation of bioactive compounds from *Moringa olifera* for the treatment of menstrual disorders” in 1st International Conference on Recent Advances in Phytochemical Research for Sustainable Development (RAPRSD-2026) from 1st to 2nd April, 2026 organized by Center for Phytochemical Research, Sharda University.
- Presented a poster titled “System level insights into the anti -rheumatic potential of *Pluchea lanceolata*” in 1st International Conference on Recent Advances in Phytochemical Research for Sustainable Development (RAPRSD-2026) from 1st to 2nd April, 2026 organized by Center for Phytochemical Research, Sharda University.
- Mentored one student Ms. Garima Sinha, B.Sc. Life Science 3rd year, Gargi College, DU during the “Anveshan: 6 week Summer Lab Internship Program” organized from 5th June, 2025 to 17th July, 2025 by ShoDH Foundation in collaboration with Ramjas College, Acharya Narendra Dev College, Shaheed Rajguru College of Applied Sciences for Women and Swami Shraddhanand College, University of Delhi.

Dr. Hemant Kardam

- Presented a poster titled “Dose-dependent interfacial behavior and stability profiling of *Albizia lebbbeck* leaf extract for eco-friendly hygiene formulations” in International Conference on Sustainable Biotechnology and Bio-innovations (SBB- 2026), on 25-27 February, organised by Department of Biotechnology, Amity University.

Students’ Achievements

Ms. Mekhla Dhar

- Secured 1st position in ‘Paradoxum’ – a creative writing competition on 25th February, 2026 organised by Swami Shraddhanand College.

- Secured 1st position in ‘Frame the Tale’ – a story writing competition on 27th March, 2026 organised by Sri Aurobindo College.
- Secured 1st position in National Youth Parliament Article Writing competition on 15th January, 2026 organised by NYPS, SRCASW.
- Secured 1st position in Poster Making Competition on 15th October, 2025 organized by Biomedical Science Department, SRCASW.

Ms. Hiba Mirza

- Secured 3rd position ‘Once Upon a Fright’ – an online creative writing competition on 5th November, 2025 organized by Inklings, SRCASW.
- Successfully completed the Google Cloud Study jams 2025 from 1st October to 31st October 2025 organized by GDG on campus SRCASW.

Ms. Swatika Mehra

- Successfully completed the Google Cloud Study jams 2025 from 1st October to 31st October 2025 organized by GDG on campus SRCASW.

Ms. Akhila Krishna Kumar

- Secured 2nd position in Group Classical Dance competition at PGDAV(E) College.
- Received Special Mention on 24th September, 2025 for Solo Classical Dance competition at GD Goenka University.

Ms. Mayushi Mohalik

- Secured 2nd position in Group Classical Dance competition on 27th February, 2026 organized by PGDAV(E) College.

Ms. Aarushi Pandey

- Secured 2nd position in Group Classical Dance competition on 27th February, 2026 organized by PGDAV(E) College.

Ms. Surabhi

- Secured 1st position in Debate competition on 13th November, 2025 organized by NYPS, SRCASW.

- Selection for Vimarsh annual magazine of Motilal Nehru College under Nitigya,
- Represented as top 3 finalist paper presenter at National Seminar held under Republica by Atma Ram Sanatan Dharma College.
- Had a special mention of her article under Sansmaran by Sankalp BA Program under Shaheed Bhagat Singh College.

Ms. Sanjana Kishore

- Secured 1st position in ‘Witchcraft’ – A witch hat designing competition on 12th November, 2025 organized by Inklings – SRCASW
- Secured 1st position in ‘Nature’s Pallet’ – a Rangoli making competition on 18th February, 2026 organized by Pravridhi – SRCASW.
- Secured 1st position in Pebble painting competition on 18th February, 2026 organized by Pravridhi – SRCASW.
- Secured 2nd position in Best Out of Waste competition on 18th February, 2026 organized by Pravridhi – SRCASW

Ms. Shreya Sajal , Aashi Sachan, and Neha Kumari

- Secured 2nd position in Sikkim-themed Rangoli Making Competition on 8th October, 2025 organized by EBSB, SRCASW

Ms. Annu Thakur

- Secured 1st position in ‘Words of Wonder’ on 5th October, 2025 organized by Lady Irwin College on occasion of International Literacy Day.

Ms. Vaishnabi

- Secured 2nd position in Rangoli making competition on 16th February, 2026, organized by NCC, SRCASW.

Ms. Pragyaa Satti

- Secured 2nd position as part of Aaharya – the western dance society of SRCASW in dance competition on 13th February organized by Amity University,

- Secured 2nd position as part of Aaharya – the western dance society of SRCASW in dance competition on 14th February organized by Deshbandhu College.
- Secured 2nd position as part of Aaharya – the western dance society of SRCASW in dance competition on 27th February organized by Trinity University.
- Secured 2nd position as part of Aaharya – the western dance society of SRCASW in dance competition on 28th February organized by SDGI.
- Secured 3rd position as part of Aaharya – the western dance society of SRCASW in dance competition on 14th February organized by ISBF
- Secured 3rd position as part of Aaharya – the western dance society of SRCASW in dance competition on 24th March organized by IPCW.

Ms. Kimli K Kinimi

- Secured 1st position in ‘Flames and Flavours’ – a food competition on 23rd January, 2026 organized by North-East Cell, SRCASW.

Ms. Shreshtha

- Secured 1st position in Book Mark Making competition on 6th February, 2026 organized by EBSB, SRCASW.

Ms. Shikha Singh, Ms. Nikita Singh, and Ms. Megha Choudhary

- Secured 1st position in ‘Spardha’ – Inter-college Kho-Kho tournament on 29th January, 2026 organized by Don Bosco Institute of Technology.

Ms. Shaili Singh and Ms. Aarushi Pandey

- Secured 5th position in top 10 girls team across India in MIMAMSA – National Level Annual Science Competition on 18th January, 2026 organized by IISER Pune.

Ms. Prerna Kumari

- Secured 10th position in MIMAMSA - National Level Annual Science Competition on 18th January, 2026 organized by IISER Pune
- Secured 2nd position in Article writing competition on 15th January, 2026, organized by NYPS, SRCASW

**Ms. Kriti**

- Secured 3rd position in Internal Smart India Hackathon on 19th September, 2025 organized by ENIAC, SRCASW

Ms. Prerna Gupta

- Secured 30th rank in IIT (JAM).

Ms. Ayera Khan

- Secured 2nd position in ‘Lens on Land’ – a competition on 18th March, 2026 organized by UBA, SRCASW.
- Completed workshop on “Think AI”, an interactive workshop on AI tools on 10th February 2026 organized by the SPIE Student Chapter, Acharya Narendra Dev College (University of Delhi).

Ms. Lalremruati

- Secured 2nd position in Folk Dance Competition on 18th March, 2026 organized by North-East Cell, SRCASW.
- Secured 2nd position in Mizo Kut on 25th October, 2025 organized by TMWA.

Ms. Lalremruati and Ms. Khihmanni Jasha

- Secured 2nd position in ‘Regalia’ – an ethnic ramp walk on 21st February organized by Acharya Narendra Dev College.

Ms. Harsha Singh Gurunasihani

- Published the poetry book-Soul’s Rhyme on 31st July 2025.

Ms. Ritika

- Completed a 5 km run organized by NSUT
- Represented SRCASW NCC at Delhi SOL East Campus Inauguration through Piloting.

Ms. Rajashi Pal

- Presented a poster titled “Dose-dependent interfacial behavior and stability profiling of *Albizia lebbeck* leaf extract for eco-friendly hygiene formulations” in International Conference on

Sustainable Biotechnology and Bio-innovations (SBB- 2026), on 25-27 February, organised by Department of Biotechnology, Amity University.

- Received Best Poster Presentation award in International Conference on Sustainable Biotechnology and Bio-innovations (SBB- 2026), on 25-27 February, 2026 organised by Department of Biotechnology, Amity University.

Ms. Gunjan Chalukya

- Presented poster titled “Phage-Driven Breakthroughs: Harnessing Ganga and Yamuna River Bacteriophages to Combat Multidrug-Resistant Pathogens and Revolutionize Urban Water Purification” in AIRSA 1st International Research Conference IRCON 2025, on 20-22 Nov 2025 organised by AIIMS Delhi.
- Presented poster titled “Comparative analysis of latency promoting genes in Mycobacterium smegmatis and Mycobacterium tuberculosis through PCR amplification and in silico analysis” on 30th March 2026 organised by Hindu College.

Ms. Richa Mondal

- Presented poster titled “Comparative Analysis of Latency Promoting Genes in Mycobacterium smegmatis and Mycobacterium tuberculosis through PCR amplification and in silico analysis” in Anveshan 2026, National Conference on Youth Engagement in One Health on 30th March, 2026 organised by Department of Zoology, Hindu College, University of Delhi, Laboratory of Infection Biology and Translational Research (LIBTR), New Delhi and National Centre for Disease Control (NCDC).

Ms. Rashi Kausal , Ms. Anushree Anand and Ms. Jyoti Kumari

- Presented a Poster titled Multi-targeted Polypharmacology approach for exploring Anti-tubercular Potential of *Justicia adhatoda* in International TB Conference 2026 Turning the tide: New Frontiers in TB Therapeutics, vaccines and diagnostics, on January 19-21, 2026 organised by University of Delhi South Campus and All India Institute of Medical Sciences, New Delhi.

Ms. Sanjana Somashekar

- Presented a paper titled ‘Investigating Native Indian Medicinal Plant: Phytochemical Profiling and Antimicrobial Assessment of *Acalypha indica*’ in the National Conference on Youth

Engagement in One Health on 30th March 2026 by Department of Zoology, Hindu College in partnership with All India Institute of Medical Sciences, Delhi and National Center for Disease Control.

Ms. R. Sai Krupaa

- Presented a paper titled ‘Investigating Traditional Indian Medicinal Plant: Phytochemical Profiling and Antimicrobial Assessment of Shankhpushpi (*Clitoria ternatea*)’ in National Conference on Youth Engagement in One Health on 30th March 2026 by Department of Zoology, Hindu College in partnership with All India Institute of Medical Sciences, Delhi and National Center for Disease Control.

Ms. Neha Kapoor

- Successfully completed one month internship titled ‘Medical Lab Techniques’ from 30th June 2025 to 30th July 2025 from Dhingra Pathological Lab.

Ms. Diya Rana, Ms. Rashi Kaushal, Ms. Vanshika Jain

- Successfully completed one month internship on ‘Biochemical Techniques and Laboratory Procedures’ from 30th June to 30th July, at Maulana Azad Medical College (GIPMER)

Ms. Shambhavi Agnihotri

- Successfully completed a one month internship titled ‘Anveshan’ from 5th June 2025-15th July 2025 from NIPGR.

Ms. Rajashi Pal

- Successfully completed a one month internship titled “Global Research Trends and Therapeutic Advances in Neurodegenerative Diseases: A Bibliometric Analysis” from 20th June 2025 to 18th July 2025 from ALIA university.

Ms. Mekhla Dhar

- Successfully completed one month internship titled ‘Decoding Gene Expression: A Practical Approach to RNA-Seq and Core Molecular Biology Techniques from 17th June to 18th July 2025 from Department of Plant Molecular Biology, DU South Campus.

Ms. Sanjana Somashekar

- Successfully completed one month internship titled ‘Hands-on experience in genomic and proteomics techniques’ from 17th June to 18th July 2025 from CIIDRET, South Campus, University of Delhi.

Ms. Gayathri R. Nair

- Successfully completed one and half month internship on titled ‘Hands-on practicals in Clinical Chemistry and Molecular Biology from 04th June-2025 to 31st July 2025 from Department of Biochemistry, UCMS, University of Delhi

Ms. Ishika

- Successfully completed one month internship titled ‘Cancer Medicine and Chemotherapy’ from 18th June 2025 to 18th July 2025 from Department of Pharmacy, Action Cancer Hospital.

Department of Chemistry

Departmental Activities

- Organized a talk on “Nanotechnology: Sustainable Development Goals and Challenges” on 3rd April 2025. The speaker for the session was Dr. Vinod Kumar, Assistant Professor, Department of Chemistry, University of Delhi. Dr. Kumar highlighted the transformative impact of nanotechnology across sectors like healthcare and environmental protection, as well its key role in advancing the Sustainable Development Goals (SDGs). There were around 40 students that attended the talk.
- Organized a Certificate Course in Lab Technology and Lab Management from August 2025-January 2026 in association with the Centre for innovative skill-based courses under Open learning development center, SOL/COL, University of Delhi. Attracting around 96 para-teaching staff members, the program delivered an enriching hands-on training experience, marked by their enthusiastic participation and active engagement.
- The Departments of Chemistry, Mathematics, Physics, and Statistics jointly hosted the Annual Technical Fest “TRAP 2025” on 15th and 16th October, 2025. Keynote highlights included an enlightening lecture by Mr. Md. Jakir Hussain, Director (Compliance), Department of Telecommunications, on cybersecurity, data protection, and secure communications in the digital era. This was followed by a captivating talk by Mr. Rishabh Jain, Astrophysicist and Science Communicator, on space exploration, black holes, and India’s astronomical achievements. Both sessions featured interactive Q&A segments. Complementing the talks, there were exciting events too, such as “the Legends of Anime: The Multiverse Experiment” game, which fostered creativity, teamwork, and enthusiasm. The Chemistry Department also organized “Science Showdown: Brainy Bingo” a fun, learning-focused chemistry quiz with a rapid-fire Q&A round. The events saw enthusiastic participation by around 150 students.
- Organized a talk on “Importance of Computational Tools to understand the Detection or Sensing of Small Molecules,” on 18th February, 2026 delivered by Prof. Prashant Singh, Department of Chemistry, Atma Ram Sanatan Dharma College, University of Delhi. Prof. Singh emphasized computational chemistry’s vital role in modern research, particularly in

elucidating small molecule sensing mechanisms. The interactive session engaged around 60 students from the department.

- Participated and secured I position in the Inter-Departmental Dance competition during the College Diwali Mela “Ujjwal” on 17th October, 2025. The number of student participants was 15.

- Organised a speaker session under the lecture series ‘Abhigyan’ on “A Glimpse of Some Space Missions of ISRO” on 9th February 2026. The speaker for the session was Prof. (Dr.) Ram Krishan Sharma, Adjunct Professor, Department of Aerospace Engineering, Karunya Institute of Technology and Sciences, Coimbatore. Number of student participants: 74.

- Organised an alumni interaction session under the series ‘Samvaad: Alumni Interaction’ on 27th March 2026. The invited alumni for the session were Ms. Shreya Gulati, Business Analyst, ERM, and Ms. Bhavna Mittal, M.Sc. student at Miranda House, Delhi University. Number of student participants: 81.

Faculty Achievements

Prof. (Dr.) Punita Saxena

- Authored a book chapter titled “An Empirical Study of Indian Passenger Airlines for Sustainable Performance: A Window DEA Approach” in Optimization Techniques for Sustainable Environment Under Uncertainty, (1-16), (2025)
- Attended International Capacity building program organized by University of Delhi in collaboration with Durham University, UK, on “Global Trends in academic administration” for senior academic and administrative faculty, from 3rd April to 13th April 2025

Dr. Shalu Sharma

- Published a paper titled ‘Some Results on Frames in Banach Spaces’ in Poincare Journal of Analysis and applications, 12(2), (77-83), (2025).
- Attended Two Days Workshop entitled “Enrichment Workshop for College Teachers (on new courses of UGCF under NEP-2020)” organised by the Department of Mathematics, University of Delhi on 2nd and 4th August, 2025.

Dr. Ritika Chopra

- Published a book titled “Introductory Ring Theory” by Cambridge University Press (2025).
- Published a paper titled “A New Technique to Solve Game Matrix with Neutrosophic Payoffs” in Neutrosophic Sets and Systems, 87, 161-176, (2025).
- Authored a book chapter titled “A Generalized Approach to Derive a Fuzzy Optimal Value of a Constant Sum Game with Payoffs as n-Polygonal Fuzzy Numbers” in Fuzzy Logic in Real Life Scenarios, 133-156, (2026).
- Attended Two Days Workshop entitled “Enrichment Workshop for College Teachers (on new courses of UGCF under NEP-2020)” organised by the Department of Mathematics, University of Delhi on 2nd and 4th August, 2025.

**Dr. Sanjiv Kumar**

- Authored a book chapter titled “A Generalized Approach to Derive a Fuzzy Optimal Value of a Constant Sum Game with Payoffs as n-Polygonal Fuzzy Numbers” in Fuzzy Logic in Real Life Scenarios, 133-156, (2026).

Students’ Achievements**Ms. Aditi Upadhyay**

- Presented a paper titled “Optimization Techniques for Solving Multi-Objective Transportation Problem: A Comparative Analysis”, in the International Conference on Scientific Computing and its Applications (SCA-2026) organised by the Faculty of Mathematical Sciences, South Asian University, New Delhi, during 14th-15th March 2026.
- Completed Summer Internship Program from 1st October 2024 to 31st May 2025 on the project titled Non-Zero-Sum Games in the Department of Mathematics, SRCASW.
- Finalist in Smart India Hackathon organised by ENIAC Society– Department of Computer Science, SRCASW on 19th September 2025.

Ms. Anshu Gupta

- Presented a paper titled “A Comparative Study for optimizing traffic signals using Four Graph Coloring Algorithms”, in the International Conference on Scientific Computing and its Applications (SCA-2026) organised by the Faculty of Mathematical Sciences, South Asian University, New Delhi, during March 14th -15th March 2026.
- Presented a research paper titled “Indian States Climate Vulnerability Index (CVI) Analysis” at the International Conference on Mathematical Sciences and Computational Intelligence (ICMSCI-2026), held during 20th–22nd February 2026, organised by Department of Mathematics, P.G.D.A.V. College, University of Delhi, in association with Faculty of Mathematical Sciences, University of Delhi, Indian Institute of Technology (IIT), Mandi & National Institute of Technology (NIT), Uttarakhand.
- Completed Summer Internship Program from 1st October 2024 to 31st May 2025 on the project titled Indian States Climate Vulnerability Index (CVI) Analysis in the Department of Mathematics, SRCASW.

- Completed One-Month internship at GoAskNow Technology Pvt Ltd as a Subject Matter Expert.

Ms. Garima Singh

- Presented a paper titled “Mathematical Modelling and Experimental Study of the Cooling rate of a Hot Fluid in Different Types of Containers” in the International Conference on Scientific Computing and its Applications (SCA-2026) organised by the Faculty of Mathematical Sciences, South Asian University, New Delhi, during 14th-15th March 2026.
- Finalist in Smart India Hackathon organised by ENIAC Society – Department of Computer Science, SRCASW on 19th September 2025.

Ms. Gowri Krishna

- Presented a paper titled “Quiver Representation of Neural Networks for Recommendation Systems” in the International Conference on Scientific Computing and its Applications (SCA-2026) organised by the Faculty of Mathematical Sciences, South Asian University, New Delhi, during 14th-15th March 2026.

Ms. Kanika Kansal

- Presented a paper titled “Optimizing Distribution Routes Using Mathematical Models: A Case Study at Parle Agro Private Limited”, in the International Conference on Scientific Computing and its Applications (SCA-2026) organised by the Faculty of Mathematical Sciences, South Asian University, New Delhi, during 14th-15th March 2026.
- Completed Summer Internship Program from 1st October 2024 to 31st May 2025 on the project titled Non-Zero-Sum Games in the Department of Mathematics, SRCASW.

Ms. Kavita

- Presented a research paper titled “Email Spam Detection using Quiver Representation using Neural Networks” at the International Conference on Mathematical Sciences and Computational Intelligence (ICMSCI-2026), held during 20th-22nd February, 2026, organised by Department of Mathematics, P.G.D.A.V. College, University of Delhi, in association with Faculty of Mathematical Sciences, University of Delhi, Indian Institute of Technology (IIT), Mandi & National Institute of Technology (NIT), Uttarakhand.
- Secured 2nd Position in the event Legends of Anime in TRAP at SRCASW.

**Ms. Mansi**

- Presented a research paper titled “Quiver Representation of Traffic Management Using Neural Networks” at the International Conference on Mathematical Sciences and Computational Intelligence (ICMSCI-2026), held during 20th-22nd February 2026, organised by Department of Mathematics, P.G.D.A.V. College, University of Delhi, in association with Faculty of Mathematical Sciences, University of Delhi, Indian Institute of Technology (IIT), Mandi & National Institute of Technology (NIT), Uttarakhand.
- Completed Summer Internship Program from 1st October 2024 to 31st May 2025 on the project titled Insurance Fraud Analysis: A Comparative Study in the Department of Mathematics, SRCASW.

Ms. Sakshi Tripathi

- Presented a paper titled “A Graph-Theoretic Clustering Approach to Social Network Analysis” in the International Conference on Scientific Computing and its Applications (SCA-2026) organised by the Faculty of Mathematical Sciences, South Asian University, New Delhi, during 14th-15th March 2026.
- Finalist in Smart India Hackathon organised by ENIAC Society – Department of Computer Science, SRCASW on 19th September 2025.

Ms. Shalvi Tripathi

- Presented a paper titled “A Comparative Analysis of Clustering Algorithm in Targeted Preventive Care” in the International Conference on Scientific Computing and its Applications (SCA-2026) organised by the Faculty of Mathematical Sciences, South Asian University, New Delhi, during 14th-15th March 2026.
- Completed Summer Internship Program from 1st October 2024 to 31st May 2025 on the project titled Non-Zero-Sum Games in the Department of Mathematics, SRCASW.
- Finalist in Smart India Hackathon organised by ENIAC Society– Department of Computer Science, SRCASW on 19th September 2025.

Ms. Tanya Rajvanshi

- Presented a paper titled “Minimizing Feed Cost in Organic Poultry Farming using Optimization Models”, in the International Conference on Scientific Computing and its

Applications (SCA-2026) organised by the Faculty of Mathematical Sciences, South Asian University, New Delhi, during 14th-15th March 2026.

Ms. Tejasvi

- Presented a paper titled “A study of Polynomial Approximation: A review on Classical Theorems to modern computation Methods”, in the International Conference on Scientific Computing and its Applications (SCA-2026) organised by the Faculty of Mathematical Sciences, South Asian University, New Delhi, during 14th-15th March 2026.

Ms. Aarushi Bhardwaj

- Presented a paper titled “A Review of Linear Algebra in Artificial Intelligence: The Mathematical Backbone of Modern AI”, in the International Conference on Mathematical Modelling, Simulation and Computational Method during 25th-27th September 2025 at MANIT, Bhopal.
- Worked on a research project entitled A Review of Linear Algebra in Artificial Intelligence: The Mathematical Backbone of Modern AI under the summer internship program in the Department of Mathematics, SRCASW from 1st October 2024 to 31st May 2025.

Ms. Payal

- Won 1st position in the intercollege yoga tournament of Ram Lal Anand College on 25th March 2026.
- Secured 3rd position at Shaheed Bhagat Singh College on 12th April 2025.
- Achieved 1st position in the Interdepartmental Competition at SRCASW on 15th September 2025.
- Won 1st position at the National Yogasana Sports Federation (NYSF), Gurugram on 18th August 2025.
- Secured 3rd position at NYSF, Gurugram on 18th August 2025.
- Participated in the Haryana Olympics (18–21 age category) held in Kurukshetra from 3rd - 5th November 2025.
- Achieved 1st position in Spardha, organised by SRCASW on 5th February 2026.

- Secured 2nd position in the Spardha Rhythmic Yogasana Competition at SRCASW on 5th February 2026.
- Won 3rd position in the Intercollege Yoga Tournament organised by Ram Lal Anand College on 19th November 2025.
- Achieved 2nd position in the Intercollege Yogasana Tournament organised by Miranda House on 14th February 2026.
- Secured 3rd position in the Khelo India Asmita Women's League on 13th August 2025.
- Participated in the intercollege yoga tournament of Maharaja Agrasen College on 26th February 2026.
- Completed a 200-hour Teacher Training Course in Yoga (USA Yoga Alliance) in Rishikesh in July 2025.

Ms. Anushi Jain

- Presented a paper titled “A review of Linear Algebra behind the curtain of Machine Learning: The Geometry of learning” during 25th-27th September 2025 at MANIT, Bhopal.
- Written a research paper titled, A review of Linear Algebra behind the curtain of Machine Learning: The Geometry of learning under summer internship dates 1st October 2024 to 31st May 2025.

Ms Priyanka Joshi

- Presented a paper titled “A review of Linear Algebra behind the curtain of Machine Learning: The Geometry of learning” during 25th-27th September 2025 at MANIT, Bhopal.
- Written a research paper titled A review of Linear Algebra behind the curtain of Machine Learning: The Geometry of learning under summer internship dates 1st October 2024 to 31st May 2025.

Ms Nitya Yadav

- Presented a paper titled “A review of Linear Algebra behind the curtain of Machine Learning: The Geometry of learning” on 25th-27th September 2025 at MANIT, Bhopal.

- Written a research paper titled A review of Linear Algebra behind the curtain of Machine Learning: The Geometry of learning under summer internship dates 1st October 2024 to 31st May 2025.

Ms. Hema

- Worked on a research project titled Lanchester Models and their Applications: From Historical Battles to Morden Warfare under summer internship dated 1st October 2024 to 31st May 2025.

Ms. Nandini Garg

- Worked on research project titled Lanchester Models and their Applications: From Historical Battles to Morden Warfare under summer internship dated 1st October 2024 to 31st May 2025.

Ms. Mishika Rai

- Presented a paper titled, A Pedagogical Adaptive Emotion Aware Tutoring System using Sensor Free Interaction Signals.

Ms. Afshan Akhtar

- Code Alpha-Data Analyst Intern (Project Based). Worked on Python-based data analysis tasks including EDA, sentiment analysis, and data visualization projects with structured documentation on GitHub.
- Elevate Labs-Data Analyst Intern (Project Based). Analyzed retail datasets using Python and SQL, creating dashboards and deriving insights to support data-driven decision-making.
- Student Ambassador – Lets Upgrade Promoted learning programs and engaged students through outreach and awareness initiatives.

Ms. Rashmi Devi

- Completed an internship under the Vice Chancellor Internship Scheme in the Department of Statistics from 3rd June 2025 to 31st July 2025

Ms. Nandini Joshi

- Internship under the Vice Chancellor Internship Scheme (VCIS) in the Department of Mathematics from November 2025 to May 2026.

**Ms. Pragati Goplani**

- Secured 3rd position in Debate Competition, organised by National Youth Parliament Society, SRCASW, held on 13th November 2025.

Ms. Juhi

- Secured 1st position in the Kho-Kho Competition, organised at Don Bosco Institute of Technology, held on 29th and 30th January 2026.

Ms. Alisha Anjum

- Secured 1st position in the event named 'Squid Game', organised by Mathematics Society of SRCASW, , held on 16th October 2025.

Ms. Pragati Bhatnagar

- Secured 2nd position in the event named 'Squid Game', organised by Mathematics Society of SRCASW, held on 16th October 2025.
- Secured 1st position in the event named 'Legends of Anime', organised by SRCASW, , held on 16th October 2025.

Ms. Shirin

- Secured 3rd position in the event named 'Squid Game', organised by Mathematics Society of SRCASW, held on 16th October 2025.
- Secured 2nd Runner-Up position in the Annual Fest of Rajdhani College, University of Delhi, held on 24th and 25th March 2026.

Ms. Shreya

- Secured 3rd position in the Inter Department Cricket Tournament, organised by Department of Physical Education, SRCASW, held on 25th September 2025.
- Successfully performed the role of NCC Cadet during the inauguration ceremony of the East Regional Centre, School of open Learning, held on 22nd September 2025.
- Secured 1st position in the Relay Race in Spardhaa, organised by SRCASW, held on 5th February 2026.

- Secured 3rd position in the 200m race in Spardhaa, organised by SRCASW, held on 5th February 2026.
- Secured 2nd position in the Octopus Race in Spardhaa, organised by SRCASW, held on 5th February 2026.
- Secured 2nd position in Tug of War in Spardhaa, organised by SRCASW, held on 5th February 2026.

Ms. Shrishti

- Secured 2nd position in ‘Clash of Voices” organised by National Service Scheme, SRCASW, held on 19th March 2026.

Department of Microbiology

Departmental Activities

- Organised a talk session on ‘Bacterial Biofilm: Notorious Social Communities” and Carrier counselling session on 17th September 2025 on the occasion of International Microorganisms

Day. The speakers for the session were Dr. Ashwini Chauhan, Associate Professor, Department of Microbiology and Dr. Ram Karan, Associate Professor, Department of Microbiology, South Campus.

- The student unit of MBSI (Microbiologists Society of India) was inducted on 17th September, 2025.
- Organised the annual departmental fest Microblaze on 15th and 16th October, 2025. A talk on ‘Advancing Diagnostic and Therapeutic in Infectious Diseases: A Multidisciplinary Approach to Combat Antimicrobial Resistance’ was delivered Dr. Evanka Madan, Consultant (SGRH) and Associate Professor (GRIPMER) Faculty MAHE.
- The annual departmental magazine Evanescent themed on “Microbial Diagnostics: Then and Now” was released during the departmental fest “Microblaze” on 15th October 2025.
- Six months certificate course and faculty development program on Mushroom cultivation was conducted from October 2025 to March 2026. Spawn production laboratory as part of the IoT enabled mushroom cultivation facility was also established on the college premises to allow for optimization of mushroom farming all year round.
- Organised a talk session on “Antimicrobial Effects of Non-Thermal Plasma and its Application” on 10th February 2026 by Dr. Vandana Miller, M.D., Professor, Department of Microbiology and Immunology Drexel University College of Medicine, Philadelphia, USA.
- Organised a talk session on “Process Development for recombinant therapeutics” on 24th March 2026. The speaker for the session was Prof. Dr. Yogender P. Khasa, Head of the Department of Microbiology, University of Delhi, South Campus.
- The 5th Alumini Meet of the department was organized on 24th March 2026.

Faculty Achievements

Prof. (Dr.) Rekha Mehrotra

- Received “MBSI Senior Teacher Award – 2025” by Microbiologist’s Society, India.
- Received Certificate of Appreciation for notable contribution as speaker in virtual Round Table Discussion on “Mushroom Value Additions and Innovations” held on 25th November 2025 by Microbiologist’s Society, India.

- Published the research article-Exploring gut microbiota's influence on cognitive health and neurodegenerative disorders: mechanistic insights and therapeutic approaches. (2025) Discover Immunity, 2(1):1-27.
- Attended International Capacity building program organized by University of Delhi in collaboration with Durham University, UK, on "Global Trends in academic administration" for senior academic and administrative faculty, from 3rd April to 13th April 2025.
- Co-authored and presented four posters at the National Conference on Fungi for Bharat – "Fungi for Better Health, Agriculture, Remediation and Technology" at 52nd Annual Meeting of the Mycological Society of India, organized by Delhi University Botanical Society, Department of Botany, University of Delhi, held from 20–22 November 2025. Titles are:
 1. Isolation and Characterization of Microplastics in Agricultural Soils and Their Effects on Soil Enzyme Activity and Quality.
 2. Isolation and Characterization of Landfill-Derived Bacteria with Microplastic Degrading Potential
 3. Utilisation of Mushroom Mycelium for the Bioremediation of Industrial Effluent.
 4. Isolation and Characterization of Bioacetoin Producing Microorganisms.
- Attended World Sustainable Development Summit organized by TERI and Ministry of Environment, Forest & Climate Change held from 25th- 27th February 2026 in New Delhi
- Attended International conference on "Trends in Biological Sciences 2025 (TIBS-2025)" organized by School of Life Sciences, JNU New Delhi and ICGEB, New Delhi, India from 8th -10th December 2025
- Attended one-day Capacity Building Program for Educators on "Entrepreneurial Ecosystem – A Step towards Viksit Bharat 2047," held on 24th September 2025 in New Delhi, organized by University of Delhi.
- Delivered a lead lecture titled "Mushrooms: Nature's Sustainable Solution for Diverse Applications" at the National Conference on Fungi for Bharat - "Fungi for Better Health, Agriculture, Remediation and Technology" at 52nd Annual Meeting of Mycological Society of

India organized by Delhi University Botanical Society, Department of Botany, University of Delhi, held from 20th -22nd November” 2025.

- Convenor and Resource person for Mushroom cultivation and faculty development program from 8th October 2025 to 11th March 2026 conducted by Enactus Shaheed Rajguru, an entrepreneurial society in collaboration with the Department of Microbiology, SRCASW.

Dr. Richa Sharma

- Resource person for Mushroom cultivation and faculty development program from 8th October 2025 to 11th March 2026 conducted by Enactus Shaheed Rajguru in collaboration with the Department of Microbiology, SRCASW.
- Selected as state coordinator Microbiologists Society, Delhi unit for the session 2025-26.
- Designated as Nodal officer for implementation of Green Action Plan, DHE, 2025-26.
- Attended a three-day National Conference on Fungi for Bharat - “Fungi for Better Health, Agriculture, Remediation and Technology” & 52nd Annual Meeting of Mycological Society of India organized by Delhi University Botanical Society, Department of Botany, University of Delhi, held from 20th-22nd November” 2025.
- Awarded the Best poster award for the poster entitled ‘Exploring keratinase from *Cordyceps militaris* for application as Trans-ungual drug delivery enhancer, at the National Conference on Fungi for Bharat organized by Delhi University Botanical Society, Department of Botany, University of Delhi, held from 20–22 November 2025.

Dr. Preeti Verma

- Resource person for Mushroom cultivation and faculty development program from 8th October 2025 to 11th March 2026 conducted by Enactus in collaboration with the Department of Microbiology, SRCASW.
- Attended a 3-day National Conference on “Fungi for Bharat” (Fungi for Better Health, Agriculture, Remediation and Technology)” held from 20th-22nd November, 2025 at Department of Botany, University of Delhi.
- Awarded the Best Poster Presentation Award in the Special Poster Session for Undergraduate Students under NEP-2020 themed “Plant Science Research” in the National Conference organized by Department of Botany, University of Delhi, held on 21st November, 2025.

Students' Achievements

Ms. Devyanshi Shukla

- Awarded with 'Best Student Award' for academic session 2025- 26 by MBSI.

Ms. Karuna Pundil

- Awarded with 'Best Poster Presentation' in the Special Poster Session for Undergraduate Students under NEP-2020 themed "Plant Science Research" in the National Conference organized by Department of Botany, University of Delhi, held on 21st November, 2025.

Ms. Avneet Kaur

- Awarded with 'Best Poster Presentation' award in the Special Poster Session for Undergraduate Students under NEP-2020 themed "Plant Science Research" in the National Conference organized by Department of Botany, University of Delhi, held on 21st November, 2025.

Ms. Namrta

- First position in quiz competition organised by SRCASW (Techfest, Microblaze 2025).

Ms. Vidhi Sharma

- Second Position in Leaflet Making Competition organised by Gargi College and Institute of Home Economics in Association with MBSI.
- First Position in Microbe Makeover organised by SRCASW (Techfest, Microblaze 2025).
- Second Position in Micromania organised by SRCASW (Techfest, Microblaze 2025).
- First Position in Reel Making Competition organised by SRCASW (Techfest, Microblaze 2025).

Ms. Muskan Khan

- First Position in Meme-A-Thon organised by SRCASW (Techfest, Microblaze 2025).

Ms. Anushka Shruti

- First Position in Quiz Competition organised by SRCASW (Techfest Microblaze 2025).

Ms. Simran

- First Position in Quiz Competition (Big Bang Boom)

Department of Physics

Departmental Activities

- Visit to Inter University Accelerator Centre (IUAC), New Delhi on National Science Day. - 28th February 2026.

Faculty Achievements

Dr. Manoj Kumar Jaiswal

- Attended CeNSE Summer School-2025, “A conference to shape the future of semiconductor technology” from June 02 -13, 2025 organized by Centre for Nano Science and Engineering, Indian Institute of Science, Bengaluru.
- Served as Trainer for the Certificate Course in Lab Technology & Lab Management conducted by Centre for Innovative Skill Based Courses under Open Learning Development Centre, SOL /COL, University of Delhi from August 2025 - January 2026.

Dr. Ashok Kumar

- Served as Mentor for Anveshan: 6-Week Summer Lab Internship Program, organised from June 5 - July 15, 2025 by SHoDH Foundation in collaboration with Ramjas College, Acharya Narendra Dev College, SRCASW, and Swami Shraddhanand College, University of Delhi.
- Served as Trainer for the Certificate Course in Lab Technology & Lab Management conducted by Centre for Innovative Skill Based Courses under Open Learning Development Centre, SOL /COL, University of Delhi from August 2025 - January 2026.

Dr. Rashmi Verma

- Served as Mentor for Anveshan: 6-Week Summer Lab Internship Program, organised from June 5 - July 15, 2025 by SHoDH Foundation in collaboration with Ramjas College, Acharya Narendra Dev College, SRCASW, and Swami Shraddhanand College, University of Delhi.

Dr. Rajan Goyal

- Published a paper titled as “Optimizing Fe₃Pt/Pt Thin Films with Ag Additives: Structural and Magnetic Analysis” in JMEPEG, 34, 23680–23687, (2025) (<https://doi.org/10.1007/s11665-025-11042-7>)
- Served as Mentor for Anveshan: 6-Week Summer Lab Internship Program, organised from June 5 - July 15, 2025 by SHoDH Foundation in collaboration with Ramjas College, Acharya Narendra Dev College, SRCASW, and Swami Shraddhanand College, University of Delhi.

Dr. Amit Kumar

- Chaired a session and attended a Workshop SHODH Research and Innovation held on July 18 - 19, 2025 at IIIT, Prayagraj.
- Served as Mentor for Anveshan: 6-Week Summer Lab Internship Program, organised from June 5 - July 15, 2025 by SHoDH Foundation in collaboration with Ramjas College, Acharya Narendra Dev College, SRCASW, and Swami Shraddhanand College, University of Delhi.
- Invited as a Distinguished Guest for National Level Science Exhibition for Undergraduate Research at Acharya Narendra Dev College in a National-Level Science Exhibition for Undergraduate Research, titled “Shodh Udaan-Undergraduate Research Odyssey,” held on 7th October 2025.

- Delivered an online lecture on “Interdisciplinary Perspectives on Digital Confidence, Safety, and Empowerment” scheduled on 29th November 2025 in the National Conference at Gurukul Mahila Mahavidyalaya, Kalibadi, Raipur, Chhattisgarh.
- Served as Trainer for the Certificate Course in Lab Technology & Lab Management conducted by Centre for Innovative Skill Based Courses under Open Learning Development Centre, SOL /COL, University of Delhi from August 2025 - January 2026.

Dr. Pooja Sharma

- Served as Mentor for Anveshan: 6-Week Summer Lab Internship Program, organised from June 5 - July 15, 2025 by SHoDH Foundation in collaboration with Ramjas College, Acharya Narendra Dev College, SRCASW, and Swami Shraddhanand College, University of Delhi.

Students’ Achievements

Ms. Rashika Rai

- Completed summer internship on the project titled as “Development of a software tool to predict high altitude ballon landing location” at Indian Institute of Astrophysics, Bangalore under Visiting Student Program from June 9 – July 21, 2025.
- Presented a paper titled as “Temporal Dynamics of Free Energy of QGP in the Early Universe” in DAE Symposium on Nuclear Physics on 8th December 2025 (DAE Symp. on Nucl. Phys. 69 (2025, 1031))
- Completed a Hands-on workshop on Multi Messenger Astronomy (HWMMA) 2025 organised by Department of Physics- Electronics St. Xavier College Ahmedabad on December 27 -30, 2025.
- Served as an evaluator for the educational Physics competition in International Astronomy and Astrophysics Competition 2025 Qualification Round
- Delivered a talk on “Many paths, one community: Finding your place in technology” on 25th September 2025 organised by Google Developers Groups on Campus, SRCASW.

Ms. Divya Chauhan

- Completed summer internship on a project titled as “Quantitative Characterization of Lunar Craters using digital image processing technique” from June 9 – July 19, 2025 at DS Kothari

Centre for Research and Innovation in Science Education, Miranda House, University of Delhi.

Ms. Tanushree Pokhriyal

- Completed virtual internship in Data Analytics from 11th December, 2025 – 8th February, 2026 at Apex Planet Software Pvt. Ltd.
- Qualified for final round of MetaCode, the coding competition at IIT Kharagpur held in March, 2026.

Ms. Garima

- Completed a teaching internship at Savram Foundation from November 18, 2025 – March 6, 2026
- Completed a content writer internship at In Amigos Foundation from September 20 – October 3, 2025

Ms. Prakriti Pawan Pandey

- Secured 3rd position in Sustainable Rangoli Competition on 17th February 2026 organised by Pravridhi, Ecoclub of SRCASW.
- Secured 3rd position in Rangoli Competition on February 3, 2026 organised by NSS, SRCASW.

Placement Cell

The Placement Cell stands as a robust and efficient entity, centrally managing campus placements across all 14 departments. Its operations are comprehensive, offering substantial assistance to both enlisted companies and students alike. As this year students opted for 4th year as defined in NEP, the cell focused mainly on skill-oriented internship opportunities, beyond simply facilitating placements throughout the academic year. This multifaceted approach ensures that students not only secure employment opportunities but also develop essential skills and experiences necessary for success in the professional world.

The placement season is divided into two phases:

- Phase 1 – August to December and
- Phase 2 – January to April

NCC (National Cadet Corps)

The National Cadet Corps (NCC) is a prestigious youth organisation that plays a vital role in shaping the character and discipline of students. It provides opportunities for young individuals to develop leadership qualities, self-confidence, and a strong sense of responsibility. Through regular training, drills, and camps, cadets learn the importance of teamwork, time management, and respect for others. At our college, the NCC unit has been actively involved in various activities, including parades, social service, and awareness programs. Cadets have participated in cleanliness drives, blood donation camps, and other national events, contributing positively to society. These experiences not only enhance their skills but also instill a spirit of patriotism and dedication towards the nation. Overall, NCC has been an important platform for students to grow into disciplined, confident, and socially responsible citizens

Unnat Bharat Abhiyaan Cell

Unnat Bharat Abhiyan (UBA) is a national initiative launched in 2014 by the Ministry of Education, inspired by Mahatma Gandhi's vision of self-reliant village development. It aims to bring transformational change in rural India by connecting higher educational institutions with villages. The program focuses on using knowledge, sustainable technologies, and local resources to address rural challenges and improve living standards. UBA encourages students and faculty to engage with rural communities, understand their needs, and develop practical solutions. Through

collaboration with government bodies and local stakeholders, it promotes inclusive growth, environmental sustainability, and balanced rural–urban development in the country.

Developer Students Club (DSC)

The Computer Science Department established the Developer Student Club (DSC) in 2018 with a mission to foster technical skill development and innovation within our campus. The club serves as a platform for students to explore, learn, and apply cutting-edge technologies, enabling them to gain hands-on experience and industry-ready expertise. By offering access to world-class resources, mentorship, and collaborative opportunities, DSC empowers students to transform ideas into impactful solutions. The Google Developer Group (GDG) on Campus@ SRCASW is dedicated to helping university students expand their knowledge beyond the classroom, providing exposure to the latest global technology trends and preparing them for the challenges of the future.

Its core objective is to encourage students to leverage their learning to develop projects that address real-world problems, thereby enhancing their technical competencies, critical thinking, and teamwork skills. Every year, the club actively organizes technical workshops, coding competitions, code-e-thons, and hackathons, giving students the chance to innovate, collaborate, and showcase their talents on both local and global platforms. Through these initiatives, the DSC club aims to create a vibrant ecosystem of learning, creativity, and technological excellence on campus.

Computer Literacy Program (CLP)

Computer Literacy Program (CLP), started in October 2015 under the guidance of our Principal, Prof. (Dr.) Payal Mago, in collaboration with the Department of Computer Science, is an important initiative for the digital empowerment of underprivileged school girls. Initially, the program focused on basic computer literacy; however, recognizing the changing demands of the digital era, the curriculum was revised in the academic year 2025–26 to include the use of AI tools, awareness of cyber fraud and safety measures, and training in accessing various online services. So far, nine batches of the program have been completed, benefiting nearly 475 students.

Youth Parliament Society

The Youth Parliament Society constitutes a paramount platform for advancing civic engagement and political literacy among students. Dedicated to nurturing the leaders of tomorrow, the society provides a robust platform for deliberative democracy and critical inquiry. Its flagship event, Tarun Sabha, is organized annually to simulate parliamentary proceedings, allowing participants to navigate the complexities of legislative governance and public policy. Beyond this cornerstone initiative, the society actively encourages democratic discourse through a diverse array of competitions, including conventional debates and policy drafting. By bridging the gap between academic theory and legislative practice, the society empowers young leaders to articulate informed perspectives on contemporary national issues.
