Students' Activities

Foreword from Principal

Shaheed Rajguru College of Applied Sciences for Women, Vasundhara Enclave, Delhi has a hostel for girls which can accommodate approximately 119 students. The sprawling campus of the college has been built on 9.5 acres of land with beautiful gardens and quiet surroundings. The students who join the college from outside Delhi can avail the hostel facilities. Staying in the hostel gives many opportunities for students to take part in various activities of the college. The hostel is a home for those who are away from home. The rooms are allotted normally on twin/triple sharing basis. The college hostel promotes the integral development of body, mind and spirit. The hostel life encourages several desirable traits in students like sharing, caring and adjusting to community living and provides more time and scope for moulding the personality and character of the students. It also aids the

students to achieve the highest standards of excellence aimed by the value based integral education. The college hostel takes pains to give students a neat, clean and comfortable place to live in. It is for the students of the hostel to maintain it. There is a warden and an office staff to attend to the needs of the students from time to time. The hostel has a mess, water coolers, visitor's room, common facility and a medical room. The hostel is Wi-Fi enabled and equipped with refrigerator, microwave ovens, automatic washing machines and induction cook tops to make life convenient and enjoyable for the students. The mess provides balanced and wholesome food to the students. The common room has a TV with DTH and a music system. The Hostel is aesthetically laid out with plenty of space and greenery. The rooms are comfortable and basic furniture like bed with boxes and book shelves are fitted for the occupants.

We encourage the resident students to participate in various cultural and social activities of the college such as music, dance dramas and nukkad natak's which are organized in the campus from time to time. The hostel students are advised to live in harmony like one big family lending a helping hand to each other whenever required, thus mutually cooperating to make the hostel life a rich and fruitful experience. There is no doubt that during these formative years in the hostel, life-long bonds are created and friendship cemented. This is a time which will stand out in the memory as a golden period. College experience is an important milestone in an individual's life. The college hostel tries to provide an ideal atmosphere for a healthy, all-round development of the personality of an individual and a launching pad for a glorious career ahead.

Living in a hostel presupposes a high degree of integrity, consciousness, cooperation, tolerance and hard work for a bright future and in creating a good image of the institution.

I wish a fruitful stay for all the students who will join our hostel.
