

**Shaheed Rajguru College of Applied Sciences for Women  
Department of Microbiology**

**Mushroom cultivation certificate course and FDP 2021-22**

In October 2021, the Department of Microbiology, in collaboration with Enactus, SRCASW, conducted a six-month 'Certificate course on Mushroom Cultivation and Faculty Development Program. The program was conducted in a hybrid (online and offline) mode. The program trained participants in mushroom cultivation skills and market access, and encouraged them to start their own mushroom businesses. Enactus Shaheed Rajguru marketed the organic mushrooms grown by the participants under the project Green Haven.
