MUSHROOM STALL AT CENTENARY CELEBRATIONS OF UNIVERSITY OF DELHI

University of Delhi celebrated '100 YEARS OF EXCELLENCE' wherein the Shaheed Rajguru College was given an opportunity to showcase our projects in front of our respected Prime Minister, Mr. Narendra Modi.

MUSHROOM TRAINING PROGRAMS FOR HOUSEWIVES AND FARMERS

Mushroom cultivation training to school students from Manipur

A very engaging Mushroom cultivation session with school students from Manipur was organized in June 2025. This was an initiative undertaken by University of Delhi, under Janajati Immersive Holistic Intervention for Noval Development (JAIHIND) scheme by Ministry of Education, Govt. of India. The students were accompanied by their teachers from the state of Manipur & also officials from Dean Students Welfare, Delhi University. The students were excited to learn about the skill of cultivation of oyster mushrooms through the hands-on workshop.
